RESALE AGREEMENT

ARTICLE I

SCOPE AND INTENT OF AGREEMENT

Pursuant to this Agreement, the Parties will extend certain arrangements to one another within each area in which they both operate within the State of Missouri for the purchase of certain telecommunications services. This Agreement governs the purchase by Granite of certain telecommunications services provided by CenturyTel in its franchise areas for resale by Granite.

Granite agrees to negotiate reciprocal terms and conditions with CenturyTel based on this Agreement.

The services and facilities to be provided to Granite by CenturyTel in satisfaction of this Agreement may be provided pursuant to CenturyTel tariffs and then current practices. Should such services and facilities be modified by Order, including any modifications resulting from other Commission proceedings, federal court review or other judicial action, and unless otherwise specified herein, such modifications will be deemed to automatically supersede any rates and terms and conditions of this Agreement. The Parties shall cooperate with one another for the purpose of incorporating required modifications into this Agreement.

Exchange access traffic is between an end-user or ISP within a CenturyTel local calling area and an ISP whose physical presence is not within CenturyTel's local calling area. The term Information Access Traffic does not include transmission of voice telecommunications traffic regardless of whether it is delivered to an ISP and regardless of whether it is carried at any point on facilities via Internet protocol. Information Access Traffic will be exchanged as a part of a separate agreement between the Parties.

2. Term and Termination.

2.1 Term.

Subject to the termination provisions contained in this Agreement, the term of this Agreement shall be for a period of two (2) years from the Effective Date of this Agreement. The Effective Date shall be the later of the date reflected by the signing parties or the date the agreement is filed with the Commission. This Agreement shall automatically renew for successive one year terms unless either party gives written notification to the other at least 90 days prior to the expiration of the original or successive term expiration date. Granite may at any time request CenturyTel to extend this agreement past the termination date but CenturyTel reserves the right to deny such a request and require negotiation of a new agreement pursuant to Sec 251 (c) (1) of Title 47 of the U S Code.

2.2 Post-Termination Arrangements.

Except in the case of termination as a result of either Party's Default under Section 2.3 below, or a termination upon sale, pursuant to Section 2.4, for service arrangements made available under this Agreement and existing at the time of termination, those arrangements may continue:

- (a) As if under this Agreement, if either Party has requested negotiations for a new agreement pursuant to Sections 251 and 252 of the Act, (i) until this Agreement has been replaced by a new agreement, or (ii) for up to one hundred eighty (180) calendar days following the Termination Date, whichever is earlier.
- (b) If this Agreement is not continued pursuant to subsection (a) preceding under (i) a new agreement voluntarily executed by the Parties; (ii) standard terms and conditions approved and made generally effective by the Commission, if any; (iii) tariff terms and conditions made generally available to all Local Providers; or (iv) any rights under Section 252(i) of the Act.

2.3 Termination Upon Default.

Either Party may terminate this Agreement in whole or in part in the event of a default by the other Party; *provided however*, that the non-defaulting Party notifies the defaulting party in writing of the alleged default and that the defaulting Party does not cure the alleged default within sixty (60) calendar days of receipt of written notice thereof. Default is defined to include:

- (a) A Party's insolvency or the initiation of bankruptcy or receivership proceedings by or against the Party; or
- (b) A Party's refusal or failure in any material respect properly to perform its obligations under this Agreement, or the violation of any of the material terms or conditions of this Agreement.

2.4 Termination Upon Ordering and Implementation Inactivity.

Notwithstanding anything to the contrary, Rates in Tariff P.S.C of W. NO. 1 Section 29 or contained herein, CenturyTel may terminate this Agreement in the event Granite has not: (a) placed any initial orders for any of the services to be provided pursuant to this Agreement and (b) implemented any said services to Granite's customers within on (1) year from the Effective Date of this Agreement.

2.5 Termination Upon Sale.

Notwithstanding anything to the contrary contained herein, a Party may terminate this Agreement as to a specific operating area or portion thereof if such Party sells or otherwise transfers the area or portion thereof. The selling or transferring Party shall provide the other Party with at least ninety (90) calendar days' prior written notice of such termination, which shall be effective on the date specified in the notice. Notwithstanding termination of this Agreement as to a specific operating area, this Agreement shall remain in full force and effect in the remaining operating areas.

2.6 Liability Upon Termination.

Termination of this Agreement, or any part hereof, for any cause shall not release either Party from any liability which at the time of termination had already accrued to the other Party or which thereafter accrues in any respect to any act or omission occurring prior to the termination or from an obligation which is expressly stated in this Agreement to survive termination.

3. Amendments.

Any amendment, modification, or supplement to this Agreement must be in writing and signed by an authorized representative of each Party. The term "this Agreement" shall include future amendments, modifications, and supplements.

4. Assignment.

Any assignment by either Party of any right, obligation, or duty, in whole or in part, or of any interest, without the written consent of the other Party shall be void, except that either Party may assign all of its rights, and delegate its obligations, liabilities and duties under this Agreement, either in whole or in part, to any entity that is, or that was immediately preceding such assignment, a Subsidiary or Affiliate of that Party without consent, but with written notification. The effectiveness of an assignment shall be conditioned upon the assignee's written assumption of the rights, obligations, and duties of the assigning Party.

5. Authority.

Each person whose signature appears on this Agreement represents and warrants that he or she has authority to bind the Party on whose behalf he or she has executed this Agreement. Each Party represents he or she has had the opportunity to consult with legal counsel of his or her choosing and Granite has not relied on CenturyTel counsel, pursuant to this Agreement.

6. Responsibility for Payment.

CenturyTel may charge Granite and Granite will pay CenturyTel a deposit before CenturyTel is required to perform under this agreement if Granite has not established a good payment history with CenturyTel. Such deposit will be calculated based on CenturyTel's estimated two-month charges to Granite using Granite's forecast of resale lines. Interest will be paid on the deposit in accordance with state requirements for end user deposits.

7. Reseller Profile.

Before orders can be taken, the Reseller Profile must be completed and returned; and, if required, an advanced deposit paid. Granite will provide CenturyTel with its Operating Company Number (OCN), Company Code (CC), and Customer Carrier Name Abbreviation (CCNA) as described in the CenturyTel Guide. Granite agrees

to warrant to CenturyTel that it is a certified provider of telecommunications service. Granite will document its Certificate of Operating Authority on the Granite Profile and agrees to update this Granite Profile as required to reflect its current certification.

8. Contact Exchange.

The Parties agree to exchange and to update contact and referral numbers for order inquiry, trouble reporting, billing inquiries, and information required to comply with law enforcement and other security agencies of the government.

9. Electronic Interface.

Electronic interface is not currently available.

10. Billing and Payment.

Granite and CenturyTel agree to exchange all information to accurately, reliably, and properly order and bill for features, functions and services rendered under this Agreement.

10.1 Back Billing.

Neither Party will bill the other Party for previously unbilled charges that are for more than one (1) year prior to the current billing date.

10.2 Dispute.

If one Party disputes a billing statement issued by the other Party, the billed Party shall notify Provider in writing regarding the nature and the basis of the dispute within six (6) months of the statement date or the dispute shall be waived. The Parties shall diligently work toward resolution of all billing issues.

10.3 Late Payment Charge.

If any undisputed amount due on the billing statement is not received by Provider on the payment due date, Provider shall calculate and assess, and Customer agrees to pay, at Provider's option, a charge on the past due balance at an interest rate equal to the amount of 1 ½% per month, in accordance with the service ordered, or the maximum nonusurious rate of interest under applicable law whichever is less. Late payment charges shall be included on the next statement.

10.4 Due Date.

Payment is due thirty (30) calendar days from the bill date.

10.5 Audits.

Either Party may conduct an audit of the other Party's books and records pertaining to the Services provided under this Agreement, no more frequently than once per twelve (12) month period, to evaluate the other Party's accuracy of billing, data and invoicing in accordance with this Agreement. Any audit shall be performed as follows: (i) following at least thirty (30) Business Days' prior written notice to the audited Party; (ii) subject to the reasonable scheduling requirements and limitations of the audited Party; (iii) at the auditing Party's sole cost and expense; (iv) of a reasonable scope and duration; (v) in a manner so as not to interfere with the audited Party's business operations; and (vi) in compliance with the audited Party's security rules.

10.6 Federal Universal Service Charge.

The Federal Universal Service Charge (FUSC) is an end user charge that allows local exchange carriers to recover the costs of their universal service contributions from their customers.

10.7 Universal Service Fund.

The Universal Service Fund (USF) is designed to provide telecom services to all Americans at affordable rates and expand those services throughout the country, including to libraries and schools. Prior to August 1, 2001, Local Exchange Carriers were able to recover their costs of the universal service contribution fee from access charges to long distance carriers. A Federal Communication Commission (FCC) order released June 14, 2001 changed the recovery method to billing end users (customers) only.

Prior to August 1, 2001, Local Exchange Carriers were able to recover their costs of the universal service contribution fee from access charges to long distance carriers. A Federal Communications Commission (FCC) order released June 14, 2001 changed the recovery method to billing end-users (customers) only.

Pursuant to the FCC's June 14, 2001 order on recovery of Universal Service Fund contributions (DA 01-1429), CenturyTel will charge and Granite agrees to pay Federal Universal Service Charges (FUSCs) on all resold lines unless and until Granite provides to CenturyTel either:

- (a) a copy of the duly-executed Form 499 that Granite filed with the FCC; proving that Granite is making payments into the Universal Service Fund; or
- (b) a notarized copy of CenturyTel's "Certification of Universal Service Fund Contribution" form (attached to this Agreement) that is signed by an officer of Granite.

Granite must provide the Form 499 copy or notarized certification form prior to placing any order; otherwise the FUSC will be charged. Should Granite provide a Form 499 or certification form at some later date, the elimination of FUSCs will be on a prospective basis only; there will be no retroactive credits of FUSCs applied by CenturyTel. Further, CenturyTel shall not be liable to Granite for any errors or omissions associated with Granite Form 499 and/or the filing of certification thereof.

11. Binding Effect.

This Agreement shall be binding on and inure to the benefit of the respective successors and permitted assigns of the Parties.

12. Compliance with Laws and Regulations.

Each Party shall comply with all federal, state, and local statutes, regulations, rules, ordinances, judicial decisions, and administrative rulings applicable to its performance under this Agreement.

13. Confidential Information.

13.1 Identification.

Either Party may disclose to the other proprietary or confidential customer, technical, or business information in written, graphic, oral or other tangible or intangible forms ("Confidential Information").

In order for information to be considered Confidential Information under this Agreement, it must be marked "Confidential" or "Proprietary," or bear a marking of similar import. Orally or visually disclosed information shall be deemed Confidential Information only if contemporaneously identified as such and reduced to writing and delivered to the other Party with a statement or marking of confidentiality within thirty (30) calendar days after oral or visual disclosure.

Notwithstanding the foregoing, preorders and all orders for services placed by Granite pursuant to this Agreement, and information that would constitute customer proprietary network information of Granite end user customers pursuant to the Act and the rules and regulations of the FCC, as well as recorded usage information with respect to Granite end users, whether disclosed by Granite to CenturyTel or otherwise acquired by CenturyTel in the course of its performance under this Agreement shall be deemed Confidential Information without having to be defined as such. Confidential Information shall not be disclosed or used for any purpose other than to provide service as specified in this Agreement.

13.2 Handling.

In order to protect such Confidential Information from improper disclosure, each Party agrees:

- (a) That all Confidential Information shall be and shall remain the exclusive property of the source;
- (b) To limit access to such Confidential Information to authorized employees who have a need to know the Confidential Information for performance of this Agreement;
- (c) To keep such Confidential Information confidential and to use the same level of care to prevent disclosure or unauthorized use of the received Confidential Information as it exercises in protecting its own Confidential Information of a similar nature;
- (d) Not to copy, publish, or disclose such Confidential Information to others or authorize anyone else to copy, publish, or disclose such Confidential Information to others without the prior written approval of the source;
- (e) To return promptly any copies of such Confidential Information to the source at its request; and
- (f) To use such Confidential Information only for purposes of fulfilling work or services performed hereunder and for other purposes only upon such terms as may be agreed upon between the Parties in writing.

13.3 Exceptions.

These obligations shall not apply to any Confidential Information that was legally in the recipient's possession prior to receipt from the source, was received in good faith from a third party not subject to a confidential obligation to the source, now is or later becomes publicly known through no breach of confidential obligation by the recipient, was developed by the recipient without the developing persons having access to any of the Confidential Information received in confidence from the source, or that is required to be disclosed pursuant to subpoena or other process issued by a court or administrative agency having appropriate jurisdiction, provided, however, that the recipient shall give prior notice to the source and shall reasonably cooperate if the source deems it necessary to seek protective arrangements.

13.4 Survival.

The obligation of confidentiality and use with respect to Confidential Information disclosed by one Party to the other shall survive any termination of this Agreement for a period of three (3) years from the date of the initial disclosure of the Confidential Information.

14. Consent.

Where consent, approval, or mutual agreement is required of a Party, it shall not be conditional, unreasonably withheld, or delayed.

15. Fraud.

Granite assumes responsibility for all fraud associated with its end-user customers and accounts. CenturyTel shall bear no responsibility for, nor is it required to investigate or make adjustments to Granite's account in cases of fraud.

16. Reimbursement of Expenses.

In performing under this Agreement CenturyTel may be required to make expenditures or otherwise incur costs that are not otherwise reimbursed under this Agreement. In such event, CenturyTel is entitled to reimbursement from Granite for all such costs. For all such costs and expenses, CenturyTel shall receive through nonrecurring charges (NRCs) the actual costs and expenses incurred, including labor costs and expenses, overhead and fixed charges, and may include a reasonable contribution to CenturyTel's common costs. Any such costs shall have prior written approval by Granite and be identified and estimated in advance of any service order being placed, or the commencement of any service under this Agreement.

17. Dispute Resolution.

17.1 Alternative to Litigation.

Except as provided under Section 252 of the Act with respect to the approval of this Agreement by the Commission, the Parties desire to resolve disputes arising out of or relating to this Agreement without litigation. Accordingly, except for action seeking a temporary restraining order or an injunction related to the purposes of this Agreement, or suit to compel compliance with this dispute resolution process, the Parties agree to use the following alternative dispute resolution procedures as the sole remedy with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

17.2 Negotiations.

At the written request of a Party, each Party will appoint a knowledgeable, responsible representative to meet and negotiate in good faith to resolve any dispute arising out of or relating to this Agreement. The Parties intend that these negotiations be conducted by non-lawyer, business representatives. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for purposes of these negotiations shall be treated as confidential information developed for purposes of settlement, exempt from discovery, and shall not be admissible in the arbitration described below or in any lawsuit without the concurrence of all Parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and may, if otherwise discoverable, be discovered or otherwise admissible, be admitted in evidence, in the arbitration or lawsuit.

17.3 Arbitration.

If the negotiations do not resolve the dispute within sixty (60) Business Days of the initial written request, the dispute shall be submitted to binding arbitration by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association except that the Parties may select an arbitrator outside American Arbitration Association rules upon mutual agreement. A Party may demand such arbitration in accordance with the procedures set out in those rules. Discovery shall be controlled by the arbitrator and shall be permitted to the extent set out in this section. Each Party may submit in writing to a Party, and that Party shall so respond to, a maximum of any combination of thirty-five (35) (none of which may have subparts) of the following: interrogatories, demands to produce documents, or requests for admission. Each Party is also entitled to take the oral deposition of one individual of another Party. Additional discovery may be permitted upon mutual agreement of the Parties. The arbitration hearing shall be commenced within sixty (60) Business Days of the demand for arbitration. The arbitration shall be held in a mutually agreeable city. The arbitrator shall control

the scheduling so as to process the matter expeditiously. The Parties may submit written briefs. The arbitrator shall rule on the dispute by issuing a written opinion within thirty (30) Business Days after the close of hearings. The times specified in this section may be extended upon mutual agreement of the Parties or by the arbitrator upon a showing of good cause. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction.

17.4 Expedited Arbitration Procedures.

If the issue to be resolved through the negotiations referenced in Section 17.2 directly and materially affects service to either Party's end-user customers, then the period of resolution of the dispute through negotiations before the dispute is to be submitted to binding arbitration shall be five (5) Business Days. Once such a service-affecting dispute is submitted to arbitration, the arbitration shall be conducted pursuant to the expedited procedures rules of the Commercial Arbitration Rules of the American Arbitration Association (i.e., rules 53 through 57).

17.5 Costs.

Each Party shall bear its own costs of these procedures. A Party seeking discovery shall reimburse the responding Party the costs of production of documents (including search time and reproduction costs). The Parties shall equally split the fees of the arbitration and the arbitrator.

17.6 Continuous Service.

The Parties shall continue providing services to each other during the pendency of any dispute resolution procedure, and the Parties shall continue to perform their obligations (including making payments on the undisputed portions of invoices) in accordance with this Agreement.

18. Entire Agreement.

This Agreement constitutes the entire agreement of the Parties pertaining to the subject matter of this Agreement and supersedes all prior agreements, negotiations, proposals, and representations, whether written or oral, and all contemporaneous oral agreements, negotiations, proposals, and representations concerning such subject matter. No representations, understandings, agreements, or warranties, expressed or implied, have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

19. Expenses.

Except as specifically set out in this Agreement, each Party shall be solely responsible for its own expenses involved in all activities related to the subject of this Agreement.

20. Force Majeure.

In the event performance of this Agreement, or any obligation hereunder, is either directly or indirectly prevented, restricted, or interfered with by reason of fire, flood, earthquake or likes acts of God, wars, revolution, civil commotion, explosion, acts of public enemy, embargo, acts of the government in its sovereign capacity, labor difficulties, including without limitation, strikes, slowdowns, picketing, or boycotts, unavailability of equipment from vendor, changes requested by Customer, or any other circumstances beyond the reasonable control and without the fault or negligence of the Party affected, the Party affected, upon giving prompt notice to the other Party, shall be excused from such performance on a day-to-day basis to the extent of such prevention, restriction, or interference (and the other Party shall likewise be excused from performance of its obligations on a day-to-day basis until the delay, restriction or interference has ceased); *provided however*, that the Party so affected shall use commercially reasonable efforts to avoid or remove such causes of nonperformance and both Parties shall proceed whenever such causes are removed or cease.

21. Good Faith Performance.

In the performance of their obligations under this Agreement, the Parties shall act in good faith. In situations in which notice, consent, approval or similar action by a Party is permitted or required by any provision of this Agreement, such action shall not be conditional, unreasonably withheld or delayed.

22. Governing Law.

This Agreement shall be governed by and construed in accordance with the Telecommunications Act of 1996, applicable federal and (to the extent not inconsistent therewith) domestic laws of the state where the services are provided or the facilities reside and shall be subject to the exclusive jurisdiction of the courts therein.

23. Standard Practices.

The Parties acknowledge that CenturyTel shall be adopting some industry standard practices and/or establishing its own standard practices to various requirements hereunder applicable to the Granite industry which may be added in the Guide. Granite agrees that CenturyTel may implement such practices to satisfy any CenturyTel obligations under this Agreement.

24. Headings.

The headings in this Agreement are inserted for convenience and identification only and shall not be considered in the interpretation of this Agreement.

25. Independent Contractor Relationship.

The persons provided by each Party shall be solely that Party's employees and shall be under the sole and exclusive direction and control of that Party. They shall not be considered employees of the other Party for any purpose. Each Party shall remain an independent contractor with respect to the other and shall be responsible for compliance with all laws, rules and regulations involving, but not limited to, employment of labor, hours of labor, health and safety, working conditions and payment of wages. Each Party shall also be responsible for payment of taxes, including federal, state and municipal taxes, chargeable or assessed with respect to its employees, such as Social Security, unemployment, workers' compensation, disability insurance, and federal and state withholding. Each Party shall indemnify the other for any loss, damage, liability, claim, demand, or penalty that may be sustained by reason of its failure to comply with this provision.

26. Law Enforcement Interface.

- 26.1 Except to the extent not available in connection with CenturyTel's operation of its own business, CenturyTel shall provide seven day a week/twenty-four hour a day assistance to law enforcement persons for emergency traps, assistance involving emergency traces and emergency information retrieval on customer invoked CLASS services.
- 26.2 CenturyTel agrees to work jointly with Granite in security matters to support law enforcement agency requirements for taps, traces, court orders, etc. Charges for providing such services for Granite customers will be billed to Granite.
- 26.3 CenturyTel will, in non-emergency situations, inform the requesting law enforcement agencies that the end-user to be wire tapped, traced, etc. is a Granite Customer and shall refer them to Granite.
- 26.4 Subsequent to the execution and approval of this Agreement by the Commission, the parties shall establish a separate contract or authorization agreement specific to the Nuisance Call Bureau (NCB) and Security Control Center (SCC) for Granite procedures, which will be in compliance with applicable state and federal laws.

27. Liability and Indemnity.

27.1 Indemnification.

Subject to the limitations set forth in Section 27.4 of this Article III, each Party agrees to release, indemnify, defend, and hold harmless the other Party from all losses, claims, demands, damages, expenses, suits, or other actions, or any liability whatsoever, including, but not limited to, costs and attorney's fees, whether suffered, made, instituted, or asserted by any other party or person, for invasion of privacy, personal injury to or death of any person or persons, or for losses, damages, or destruction of property, whether or not owned by others, proximately caused by the indemnifying Party's negligence or willful misconduct, regardless of form of action. The indemnified Party agrees to notify the other Party promptly, in writing, of any written claims, lawsuits, or demands for which it is claimed that the indemnifying Party is responsible under this Section and to cooperate in every reasonable way to facilitate defense or settlement of claims. The indemnifying Party shall have complete control over defense of the case and over the terms of any proposed settlement or compromise thereof. The indemnifying Party shall not be liable under this Section for settlement by the indemnified Party or any claim, lawsuit, or demand, if the indemnifying Party has not approved the settlement in advance, unless the indemnifying Party has had the defense of the claim, lawsuit, or demand tendered to it in writing and has failed to assume such defense. In the event of such failure to assume defense, the indemnifying Party shall be liable for any reasonable settlement made by the indemnified Party without approval of the indemnifying Party.

27.2 End-User and Content-Related Claims.

The Indemnifying Party agrees to release, indemnify, defend, and hold harmless the other Party, its affiliates, and any third-party provider or operator of facilities involved in the provision of services under this Agreement (collectively, the "Indemnified Party") from all losses, claims, demands, damages, expenses, suits, or other actions, or any liability whatsoever, including, but not limited to, costs and attorney's fees, suffered, made, instituted, or asserted by the Indemnifying Party's end-users against an Indemnified Party arising from Services, except if caused by gross negligence or intentional conduct of the indemnified party or its agents and employees. The Indemnifying Party further agrees to release, indemnify, defend, and hold harmless the Indemnified Party from all losses, claims, demands, damages, expenses, suits, or other actions, or any liability whatsoever, including, but not limited to, costs and attorney's fees, suffered, made, instituted, or asserted by any third party against an Indemnified Party arising from or in any way related to actual or alleged defamation, libel, slander, interference with or misappropriation of proprietary or creative right, or any other injury to any person or property arising out of content transmitted by the Indemnifying Party and the Indemnified Party or such Party's end-users, or any other act or omission of the Indemnified Party or such Party's end-users.

27.3 DISCLAIMER.

EXCEPT AS SPECIFICALLY PROVIDED TO THE CONTRARY IN THIS AGREEMENT, PROVIDER MAKES NO REPRESENTATIONS OR WARRANTIES TO CUSTOMER CONCERNING THE SPECIFIC QUALITY OF ANY SERVICES PROVIDED UNDER THIS AGREEMENT. PROVIDER DISCLAIMS, WITHOUT LIMITATION, ANY WARRANTY OR GUARANTEE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, OR FROM USAGES OF TRADE.

27.4 Limitation of Liability.

Each Party's liability, whether in contract, tort or otherwise, shall be limited to direct damages, which shall not exceed the monthly charges, plus any related costs/expenses CenturyTel may recover, including those under Section 16 above, and plus any costs/expenses for which the Parties specify reimbursement in this Agreement for the services or facilities for the month during which the claim of liability arose. Under no circumstance shall either Party be responsible or liable for indirect,

incidental, or consequential damages, including, but not limited to, economic loss or lost business or profits, damages arising from the use or performance of equipment or software, or the loss of use of software or equipment, or any accessories attached thereto, delay, error, or loss of data. Should either Party provide advice, make recommendations, or supply other analysis related to the services or facilities described in this Agreement, this limitation of liability shall apply to provision of such advice, recommendations, and analysis.

27.5 Intellectual Property.

Neither Party shall have any obligation to defend, indemnify or hold harmless, or acquire any license or right for the benefit of, or owe any other obligation or have any liability to, the other based on or arising from any claim, demand, or proceeding by any third party alleging or asserting that the use of any circuit, apparatus, or system, or the use of any software, or the performance of any service or method, or the provision or use of any facilities by either Party under this Agreement constitutes direct or contributory infringement, or misuse or misappropriation of any patent, copyright, trademark, trade secret, or any other proprietary or intellectual property right of any third party.

28. Multiple Counterparts.

This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, but all of which shall together constitute but one and the same document.

29. No Third Party Beneficiaries.

Except as may be specifically set forth in this Agreement, this Agreement does not provide and shall not be construed to provide third parties with any remedy, claim, liability, reimbursement, cause of action, or other right or privilege.

31. Protection.

31.1 Impairment of Service.

The characteristics and methods of operation of any circuits, facilities or equipment of either Party connected with the services, facilities or equipment of the other Party pursuant to this Agreement shall not interfere with or impair service over any facilities of the other Party, its affiliated companies, or its connecting and concurring carriers involved in its services, cause damage to its plant, violate any applicable law or regulation regarding the invasion of privacy of any communications carried over the Party's facilities or create hazards to the employees of either Party or to the public (each hereinafter referred to as an "Impairment of Service").

31.2 Resolution.

If either Party causes an Impairment in Service, the Party whose network or service is being impaired (the "Impaired Party") shall promptly notify the Party causing the Impairment of Service (the "Impairing Party") of the nature and location of the problem and that, unless promptly rectified, a temporary discontinuance of the use of any circuit, facility or equipment may be required. The Impairing Party and the Impaired Party agree to work together to attempt to promptly resolve the Impairment of Service. If the Impairing Party is unable to promptly remedy the Impairment of Service, then the Impaired Party may at its option temporarily discontinue the use of the affected circuit, facility or equipment.

32. Publicity.

Any news release, public announcement, advertising, or any form of publicity pertaining to this Agreement, provision of Services pursuant to it, or association of the Parties with respect to provision of the services described in this Agreement shall be subject to prior written approval of both CenturyTel and Granite.

33. Regulatory Agency Control.

This Agreement shall at all times be subject to changes, modifications, orders, and rulings by the Federal Communications Commission and/or the applicable state utility regulatory commission to the extent the substance of this Agreement is or becomes subject to the jurisdiction of such agency.

34. Changes in Legal Requirements.

CenturyTel and Granite further agree that the terms and conditions of this Agreement were composed in order to effectuate the legal requirements in effect at the time the Agreement was produced. Any modifications to those requirements will be deemed to automatically supersede any terms and conditions of this Agreement.

35. Effective Date.

This Agreement will be effective only upon execution by both Parties. The "effective date" of this Agreement for all purposes shall be the later of the date the Agreement is filed with the Commission or the date reflected by the signing parties. The Parties agree orders for services will not be submitted or accepted within the first ten (10) business days after the agreement is effective.

36. Regulatory Matters.

Each Party shall be responsible for obtaining and keeping in effect all FCC, state regulatory commission, franchise authority and other regulatory approvals that may be required in connection with the performance of its obligations under this Agreement.

If either Party does not provide necessary filing materials within 90 days of execution of this Agreement, any contract signatures will no longer be effective. If both Parties determine to proceed with filing, negotiations between the Parties will resume.

37. Rule of Construction.

No rule of construction requiring interpretation against the drafting Party hereof shall apply in the interpretation of this Agreement.

38. Section References.

Except as otherwise specified, references within an Article of this Agreement to a Section refer to Sections within that same Article.

39. Severability.

If any provision of this Agreement is held by a court or regulatory agency of competent jurisdiction to be unenforceable, the rest of the Agreement shall remain in full force and effect and shall not be affected unless removal of that provision results, in the opinion of either Party, in a material change to this Agreement. If a material change as described in this paragraph occurs as a result of action by a court or regulatory agency, the Parties shall negotiate in good faith for replacement language. If replacement language cannot be agreed upon within a reasonable period, either Party may terminate this Agreement without penalty or liability for such termination upon written notice to the other Party.

40. Subcontractors.

Provider may enter into subcontracts with third parties or affiliates for the performance of any of Provider's duties or obligations under this Agreement.

41. Subsequent Law.

The terms and conditions of this Agreement shall be subject to any and all applicable laws, rules, or regulations that subsequently may be prescribed by any federal, state or local governmental authority. To the extent required by any such subsequently prescribed law, rule, or regulation, the Parties agree to modify, in writing, the affected term(s) and condition(s) of this Agreement to bring them into compliance with such law, rule, or regulation. Further, to the extent such law, rule or regulation allows one or both Parties the choice to operate, voluntarily, in a manner contrary to the current term(s) and condition(s) of this Agreement, the Parties agree to modify, in writing, the affected term(s) and condition(s), should one or both Parties choose to avail themselves of such law, rule or regulation. The Dispute Resolution provisions of Article III, Section 17 shall also govern any disputes arising out of or relating to such modifications.

42. Taxes.

Any state or local excise, sales, or use taxes (excluding any taxes levied on income) resulting from the performance of this Agreement shall be borne by the Party upon which the obligation for payment is imposed under applicable law, even if the obligation to collect and remit such taxes is placed upon the other Party. The collecting Party shall charge and collect from the obligated Party, and the obligated Party agrees to pay to the collecting Party, all applicable taxes, except to the extent that the obligated Party notifies the collecting Party and provides to the collecting Party appropriate documentation as CenturyTel requires that qualifies the obligated Party for a full or partial exemption. Any such taxes shall be shown as separate items on applicable billing documents between the Parties. The obligated Party may contest the same in good faith, at its own expense, and shall be entitled to the benefit of any refund or recovery, provided that such Party shall not permit

any lien to exist on any asset of the other Party by reason of the contest. The collecting Party shall cooperate in any such contest by the other Party. The other Party will indemnify the collecting Party from any sales or use taxes that may be subsequently levied on payments by the other Party to the collecting Party.

Notwithstanding anything to the contrary contained herein, Granite is responsible for furnishing tax exempt status information to CenturyTel at the time of the execution of the Agreement. Granite is also responsible for furnishing any updates or changes in its tax exempt status to CenturyTel during the Term of the Agreement and any extensions thereof. In addition, Granite is responsible for submitting and/or filing tax exempt status information to the appropriate regulatory, municipality, local governing, and/or legislative body.

42.1 Tax.

A charge which is statutorily imposed by the state or local jurisdiction and is either (a) imposed on the seller with the seller having the right or responsibility to pass the charge(s) on to the purchaser and the seller is responsible for remitting the charge(s) to the state or local jurisdiction or (b) imposed on the purchaser with the seller having an obligation to collect the charge(s) from the purchaser and remit the charge(s) to the state or local jurisdiction.

Taxes shall include but not be limited to: federal excise tax, state/local sales and use tax, state/local utility user tax, state/local telecommunication excise tax, state/local gross receipts tax, and local school taxes. Taxes shall not include income, income-like, gross receipts on the revenue of a Provider, or property taxes. Taxes shall not include payroll withholding taxes unless specifically required by statute or ordinance.

42.2 Fees/Regulatory Surcharges.

A charge imposed by a regulatory authority, other agency, or resulting from a contractual obligation, in which the seller is responsible or required to collect the fee/surcharge from the purchaser and the seller is responsible for remitting the charge to the regulatory authority, other agency, or contracting party.

Fees/Regulatory Surcharges shall include but not be limited to E-911/911, E311/311, franchise fees, and Commission surcharges.

43. Trademarks and Trade Names.

Except as specifically set out in this Agreement, nothing in this Agreement shall grant, suggest, or imply any authority for one Party to use the name, trademarks, service marks, or trade names of the other for any purpose whatsoever.

44. Waiver.

The failure of either Party to insist upon the performance of any provision of this Agreement, or to exercise any right or privilege granted to it under this Agreement, shall not be construed as a waiver of such provision or any provisions of this Agreement, and the same shall continue in full force and effect.

45. TBD Prices.

Numerous provisions in this Agreement and its Attachments refer to pricing principles. If a provision references prices in an Attachment and there are no corresponding prices in such Attachment, such price shall be considered "To Be Determined" (TBD). With respect to all TBD prices, prior to Granite ordering any such TBD item, the Parties shall meet and confer to establish a price. If the Parties are unable to reach agreement on a price for such item, an interim price shall be set for such item that is equal to the price for the nearest analogous item for which a price has been established. Any interim prices so set shall be subject to modification by any subsequent decision of the Commission. If an interim price is different from the rate subsequently established by the Commission, any underpayment shall be paid by Granite to CenturyTel, and any overpayment shall be refunded by CenturyTel to Granite, within forty-five (45) Business Days after the establishment of the price by the Commission.

ARTICLE IV
GENERAL RULES GOVERNING RESOLD SERVICES

1. General.

General regulations, terms and conditions governing rate applications, technical parameters, service availability, definitions and feature interactions, as described in the appropriate CenturyTel intrastate local, toll and access tariffs, apply to retail services made available by CenturyTel to Granite for resale provided by CenturyTel to Granite, when appropriate, unless otherwise specified in this Agreement. As applied to services offered under this Agreement, the term "Customer" contained in the CenturyTel Local Tariff shall be deemed to mean "Granite" as defined in this Agreement.

2. Liability of CenturyTel

2.1 Inapplicability of Tariff Liability.

CenturyTel's general liability, as described in the CenturyTel Local Tariff, does not extend to Granite's customers or any other third party. Liability of CenturyTel to Granite resulting from any and all causes arising out of services or any other items relating to this Agreement shall be governed by the liability provisions contained in this Agreement and no other liability whatsoever shall attach to CenturyTel. CenturyTel shall be liable for the individual services, facilities or elements that it separately provides to Granite and shall not be liable for the integration of components combined by Granite.

2.2 Granite Tariffs or Contracts.

Granite shall, in its tariffs or other contracts for services provided to its end-users using services obtained from CenturyTel, provide that in no case shall CenturyTel be liable to Granite's end-users or any third parties for any indirect, special or consequential damages, including, but not limited to, economic loss or lost business or profits, whether foreseeable or not, and regardless of notification by Granite of the possibility of such damages and Granite shall indemnify and hold CenturyTel harmless claims, demands, causes of action and liabilities as provided elsewhere in this Agreement. Nothing in this Agreement shall be deemed to create a third-party beneficiary relationship with Granite's end-users.

2.3 No Liability for Errors.

CenturyTel is not liable for mistakes, except if caused by gross negligence or intentional conduct of the indemnified party or its agents and employees that appear in CenturyTel's listings, 911 and other information databases, or for incorrect referrals of end-users to Granite for any ongoing Granite service, sales or repair inquiries, and with respect to such mistakes or incorrect referrals. Granite shall indemnify and hold CenturyTel harmless from any and all claims, demands, causes of action and liabilities whatsoever, including costs, expenses and reasonable attorney's fees incurred on account thereof, by third parties, including Granite's end-users or employees. For purposes of this Section 2.3, mistakes and incorrect referrals shall not include matters arising out of the willful misconduct of CenturyTel or its employees or agents.

3. Unauthorized Changes.

3.1 Procedures.

If Granite submits an order for resold services under this Agreement in order to provide service to an end-user that at the time the order is submitted is obtaining its local services from CenturyTel or another LEC using CenturyTel resold services, and the end-user notifies CenturyTel that the end-user did not authorize Granite to provide local exchange services to the end-user, Granite must provide CenturyTel with written documentation of authorization from that end-user within thirty (30) Business

Days of notification by CenturyTel. If Granite cannot provide written documentation of authorization within such time frame, Granite must within three (3) Business Days thereafter:

- (a) notify CenturyTel to change the end-user back to the LEC providing service to the end-user before the change to Granite was made; and
- (b) provide any end-user information and billing records Granite has obtained relating to the end-user to the LEC previously serving the end-user; and
- (c) notify the end-user and CenturyTel that the change back to the previous LEC has been made.

Furthermore, CenturyTel will bill Granite fifty dollars (\$50.00) per affected line to compensate CenturyTel for switching the end-user back to the original LEC.

4. Impact of Payment of Charges on Service.

Granite is solely responsible for the payment of all charges for all services, furnished under this Agreement, including, but not limited to, calls originated or accepted at its or its end-users' service locations. If Granite fails to pay when due any and all charges billed to Granite under this Agreement, including any late payment charges (collectively, "Unpaid Charges"), and any or all such charges remain unpaid more than forty-five (45) calendar days after the bill date of such Unpaid Charges excepting previously disputed charges for which Granite may withhold payment, CenturyTel shall notify Granite in writing that it must pay all Unpaid Charges to CenturyTel within seven (7) Business Days. If Granite disputes the billed charges, it shall, within said seven (7) day period, inform CenturyTel in writing of which portion of the Unpaid Charges it disputes, including the specific details and reasons for the dispute, unless such reasons have been previously provided, and shall immediately pay to CenturyTel all undisputed charges. If Granite and CenturyTel are unable, within thirty (30) Business Days thereafter, to resolve issues related to the disputed charges, then either Granite or CenturyTel may file a request for arbitration under Article III of this Agreement to resolve those issues. Upon resolution of any dispute hereunder, if Granite owes payment it shall make such payment to CenturyTel with any late payment charge under Article III, Section 10.3, from the original payment due date. If Granite owes no payment, but has previously paid CenturyTel such disputed payment, then CenturyTel shall credit such payment including any late payment charges. If Granite fails to pay any undisputed Unpaid Charges, Granite shall, at its sole expense, within five (5) Business Days notify its end-users that their service may be disconnected for Granite's failure to pay Unpaid Charges, and that its end-users must select a new provider of local exchange services. CenturyTel may discontinue service to Granite upon failure to pay undisputed charges as provided in this Section 4, and shall have no liability to Granite or Granite's end-users in the event of such disconnection. If Granite fails to provide such notification or any of Granite's end-users fail to select a new provider of services within the applicable time period, CenturyTel may provide local exchange services to Granite's end-users under CenturyTel's applicable end-user tariff at the then current charges for the services being provided. In this circumstance, otherwise applicable service establishment charges will not apply to Granite's end-user, but will be assessed to Granite.

5. Unlawful Use of Service.

Services provided by CenturyTel pursuant to this Agreement shall not be used by Granite or its end-users for any purpose in violation of law. Granite shall be responsible to ensure that Granite and its end-users use of services provided hereunder comply at all times with all applicable laws. CenturyTel may refuse to furnish service to Granite or disconnect particular services provided under this Agreement to Granite or, as appropriate, Granite's end-user when (i) an order is issued by a court of competent jurisdiction finding that probable cause exists to believe that the use made or to be made of the service is prohibited by law or (ii) CenturyTel is notified in writing by a law enforcement agency acting within its jurisdiction that any facility furnished by CenturyTel is being used or will be used for the purpose of transmitting or receiving gambling information in interstate or foreign commerce in violation of law. Termination of service shall take place after reasonable notice is provided to Granite, or as ordered by the court. If facilities have been physically disconnected by law

enforcement officials at the premises where located, and if there is not presented to CenturyTel the written finding of a court, then upon request of Granite and agreement to pay restoral of service charges and other applicable service charges, CenturyTel shall promptly restore such service.

6. Timing of Messages.

With respect to CenturyTel resold measured rate local service(s), chargeable time begins when a connection is established between the calling station and the called station. Chargeable time ends when the calling station "hangs up," thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the network.

7. Procedures for Preordering, Ordering, Provisioning, Etc.

Certain procedures for preordering, ordering, provisioning, maintenance and billing for many of these functions are governed by the CenturyTel Guide. In accordance with Article III, Section 7, CenturyTel will not process resale orders until the Granite Profile has been completed and returned; and, if required, an advanced deposit paid. The Parties agree that they will use a manual service order process throughout the term of the contract and that there will be no charge for such service.

8. Letter of Authorization

8.1 CenturyTel will not release the Customer Service Record (CSR) containing Customer Proprietary Network Information (CPNI) to Granite on CenturyTel end-user customer accounts unless Granite first provides to CenturyTel a written Letter of Authorization (LOA). Such LOA may be a blanket LOA or other form agreed upon between CenturyTel and Granite authorizing the release of such information to Granite or if state or federal law provides otherwise, in accordance with such law.

8.2 An LOA will be required before CenturyTel will process an order for Services provided in cases in which the subscriber currently receives Exchange Service from CenturyTel or from a local service provider other than Granite. Such LOA may be a blanket LOA or such other form as agreed upon between CenturyTel and Granite.

9. Customer Contacts.

Except as otherwise provided in this Agreement or as agreed to in a separate writing by Granite, Granite shall provide the exclusive interface with Granite's end-user customers in connection with the marketing or offering of Granite services. Except as otherwise provided in this Agreement, in those instances in which CenturyTel personnel are required pursuant to this Agreement to interface directly with Granite's end-users, such personnel shall not identify themselves as representing CenturyTel. All forms, business cards or other business materials furnished by CenturyTel to Granite end-users shall be generic in nature. In no event shall CenturyTel personnel acting on behalf of Granite pursuant to this Agreement provide information to Granite end-users about CenturyTel products or services unless otherwise authorized by Granite.

ARTICLE V
RESALE OF SERVICES

1. General.

The purpose of this Article V is to define the Exchange Services and related Vertical Features and other Services (collectively referred to for purposes of this Article V as the "Services") that may be purchased from CenturyTel and resold by Granite and the terms and conditions applicable to such resold Services. Except as specifically provided otherwise in this Agreement, provisioning of Exchange Services for resale will be governed by the CenturyTel Guide. CenturyTel will make available to Granite for resale any Telecommunications Service that CenturyTel currently offers, or may offer hereafter, on a retail basis to subscribers that are not telecommunications carriers, except as qualified by Section 2.1 below.

2. Terms and Conditions.

2.1 Restrictions on Resale.

The following restrictions shall apply to the resale of retail services by Granite.

2.1.1 Granite shall not resell to one class of customers a service that is offered by CenturyTel only to another class of customers in accordance with state requirements (e.g., R-1 to B-1, disabled services or lifeline services to non-qualifying customers).

2.1.2 Granite shall not resell lifeline services and services for the disabled.

2.1.3 Granite shall not resell promotional offerings of 90 days or less in duration. These promotional offerings are not available to Granite for resale. CenturyTel will apply any applicable resale discount to the ordinary rate for a retail service rather than the special promotional rate.

2.2 Restrictions on Discount of Retail Services.

The discount specified in Section 5.3 herein shall apply to all retail services except for the following:

2.2.1 Granite may resell services that are provided at a volume discount in accordance with terms and conditions of applicable tariff. Granite shall not aggregate end-user lines and/or traffic in order to qualify for volume discount.

2.2.2 Granite may resell ICB/Contract services without a discount and only to end-user customers that already have such services.

2.2.3 Granite may resell special access; however, no discount applies.

2.3 Resale to Other Carriers.

Services available for resale may not be used by Granite to provide access to the local network as an alternative to tariffed switched and special access by other carriers, including, but not limited to; interexchange carriers, wireless carriers, competitive access providers, or other retail telecommunications providers.

3. Ordering and Billing.

3.1 Service Ordering, Service Provisioning, and Billing.

Granite will order services for resale directly from CenturyTel through United States Mail or facsimile. The following describes generally the processes CenturyTel will use for ordering, provisioning and billing for resold services. Except as specifically provided otherwise in this Agreement, service ordering, provisioning, billing and maintenance shall be governed by the CenturyTel Guide.

3.2 Local Service Request.

Orders for resale of services will be placed utilizing standard LSR forms. CenturyTel will continue to participate in industry forums for developing service order/disconnect order formats and will incorporate appropriate industry standards. Complete and accurate forms (containing the requisite end-user information as described in the Guide) must be provided by Granite before a request can be processed.

3.2.1 CenturyTel will accept orders for As-Is Transfer (AIT) of services from CenturyTel to Granite where CenturyTel is the end-user's current local exchange company. CenturyTel cannot provide an AIT of service from another Granite selling CenturyTel's services to Granite.

3.2.2 Granite will be the customer of record for all services purchased from CenturyTel. Except as specified herein, CenturyTel will take orders from, bill and expect payment from Granite for all services ordered.

3.3 Certificate of Operating Authority.

When ordering, Granite must represent and warrant to CenturyTel that it is a certified provider of local dial-tone service. Granite will provide a copy of its Certificate of Operating Authority or other evidence of its status to CenturyTel upon request.

3.4 Nonrecurring Charges.

Granite shall be responsible for the payment of all nonrecurring charges (NRCs) applicable to resold Services (e.g., installation, changes, ordering charges) as listed in Appendix A. In addition, NRCs for Field Service work (Installation/Repair requiring on site visits) will be charged from the appropriate tariff. No discount applies to nonrecurring charges.

3.5 Transfers Between Granite and Another Reseller of CenturyTel Services.

When Granite has obtained an end-user customer from another reseller of CenturyTel services, Granite will inform CenturyTel of the transfer by submitting standard LSR forms to CenturyTel.

3.5.1 CenturyTel cannot accept an order for AIT of service from one Granite reseller of CenturyTel services to another reseller of CenturyTel services.

3.6 Local Calling Detail.

Except for those Services and in those areas where measured rate local service is available to end-users, monthly billing to Granite does not include local calling detail. However, Granite may request and CenturyTel shall consider developing the capabilities to provide local calling detail in those areas where measured local service is not available for a mutually agreeable charge.

3.7 Originating Line Number Screening (OLNS).

Upon request, CenturyTel will update the database to provide OLNS, which indicates to an operator the acceptable billing methods for calls originating from the calling number (e.g., penal institutions, COCOTS).

4. Maintenance.

4.1 Maintenance, Testing and Repair.

CenturyTel will provide repair and maintenance services to Granite and its end-user customers for resold services in accordance with the same standards and charges used for such services provided to CenturyTel end-user customers. CenturyTel will not initiate a maintenance call or take action in response to a trouble report from a Granite end-user until such time as trouble is reported to CenturyTel by Granite. Granite must provide to CenturyTel all end-user information necessary for the installation, repair and servicing of any facilities used for resold services according to the procedures described in the Guide.

Subject to the limitations enumerated in Article V of this Agreement, the type of resold services made available to Granite are those telecommunication services described in CenturyTel's local tariffs, as amended from time to time. Any new retail services that CenturyTel offers in such tariffs to customers who are not telecommunications carriers may also be available to Granite for resale under the same terms and conditions contained in this Agreement.

5.2.1 Promotional Services. CenturyTel shall make available for resale; those promotional offerings that are greater than 90 days in duration and the special promotional rate will be subject to the applicable resale discount.

5.3 Rates.

The prices charged to Granite for Local Services shall be calculated as follows:

5.3.1 Avoided Cost Discount as shown in Appendix A shall apply to all retail services except those services listed in Section 2.1 and Section 2.2 herein.

5.3.2 The discount dollar amount calculated under Section 5.3.1 above will be deducted from the retail rate.

5.3.3 The resulting rate is the resale rate.

5.4 Grandfathered Services.

Services identified in CenturyTel Tariffs as grandfathered in any manner are available for resale only to end-user customers that already have such grandfathered service. An existing end-user customer may not move a grandfathered service to a new service location. Grandfathered Services are subject to a resale discount.

To the extent any aspects of such services are not addressed below, Reseller will be required to negotiate a separate agreement for directory listings and directory distribution with CenturyTel's publication company.

While CenturyTel reserves all existing rights to Reseller's listings, Reseller may, at Reseller's option, negotiate a separate agreement for directory listings and directory distribution with CenturyTel's publication company.

5.1 Listings.

Reseller agrees to supply CenturyTel on a regularly scheduled basis, at no charge, and in a mutually agreed upon format (e.g. Ordering and Billing Forum developed), all listings information for Reseller's subscribers who wish to be listed in any CenturyTel published directory for the relevant operating area. Listing information will consist of names, addresses (including city, state and zip code), telephone numbers, and subscriber's desired Yellow Pages classified heading. Nothing in this Agreement shall require CenturyTel to publish a directory where it would not otherwise do so.

Listing inclusion in a given directory will be in accordance with CenturyTel's solely determined directory configuration, scope, and schedules, and listings will be treated in the same manner as CenturyTel's listings.

5.2 Distribution.

Upon directory publication, CenturyTel will arrange for the initial distribution of the directory to listed service subscribers in the directory coverage area.
