ORDER SUSPENDING TARIFF

One Stop Communications, Inc. (OSTI) filed an Application for Interexchange Authority and Competitive Classification on July 14, 1998. Along with its application, OSTI submitted a tariff to the Commission for approval with an effective date of August 28. On July 21 the Commission issued a notice and schedule requiring that interventions to the application be filed no later than August 5. On August 3 OSTI filed a letter extending the effective date of the tariff to September 4. On August 10 OSTI submitted an amended application and a substitute tariff with a September 4 effective date. The amended application and substitute tariff requested approval of nonswitched local exchange/private line service in addition to the interexchange service and competitive classification previously requested.

The Commission has reviewed OSTI's amended application and substitute tariff filing, and finds that notice of the amended application should be issued and additional time for interventions should be allowed. The Commission also finds that it is appropriate to suspend

the tariff sheets for 30 days to allow time for interventions and responses to the amended application.

IT IS THEREFORE ORDERED:

1. That the effective date of the following tariff sheets submitted on July 14, 1998, and amended on August 10, 1998, by One Stop Communications, Inc. is suspended to October 4, 1998, or until otherwise ordered by this Commission:

Missouri P.S.C. Tariff No. 1

2. That this order shall become effective on September 1, 1998.
