Case No. GR-97-393

## ORDER APPROVING TARIFF SHEETS

Staff indicated that it reviewed three of the tariff sheets filed on January 9 involving Purchased Gas Adjustment (PGA) factors which were filed pursuant to the Commission's order to reflect changes in the transportation service. Staff states that the PGA factors for revised sheets 30, 31 and 32 were not changed. Therefore, Staff recommends that such tariff sheets be allowed to become effective on and after February 18

on an interim basis and subject to refund pending final Commission decisions in Case Nos. GR-96-430 and GR-97-545.

On February 11 Staff filed a Memorandum in the official case stating a supplemental recommendation on a tariff sheet filed to comply with the Commission's order issued on December 10. Staff indicated that UE filed along with the natural gas tariff sheets on January 9 an electric tariff sheet which proposed to change the interest rate on customer deposits for electric service. Staff states that the tariff sheet is in compliance with the Commission's order and that Staff inadvertently omitted listing the electric tariff sheet number 178 on its Memorandum filed on February 4. Staff recommended that the tariff sheet be allowed to become effective for service rendered on and after February 18, 1998.

The Commission has reviewed the tariff sheets filed by Company, the Memorandum filed by Staff on February 4 and the memorandum filed by Staff on February 11. The Commission finds that the tariff sheets filed by Company on January 9, as substituted on January 28, are in compliance with the Commission's order. The Commission will approve the tariff sheets for service rendered on and after February 18. The Commission will approve the three tariff sheets involving PGA factors effective February 18 on an interim basis and subject to refund pending final Commission decisions in Case Nos. GR-96-430 and GR-97-545.
