### **ORDER GRANTING APPLICATION TO INTERVENE**

Issue Date: September 19, 2006

Effective Date: September 19, 2006

On August 15, 2006, Central Jefferson County Utilities, Inc. ("Central Jefferson") filed two identically captioned applications seeking the authorization to transfer and assign certain assets of its water and sewer operations to the Jefferson County Public Sewer District ("Sewer District"). To facilitate the proceedings, the Commission consolidated these cases designating Case No. SO-2007-0071 as the lead case.

On September 6, 2006, the Raintree Plantation Property Owners Association, Inc., ("Association") timely filed a request to intervene. Intervention is governed by Commission Rule 4 CSR 240-2.075. While the Association's request to intervene is not in technical compliance with the Commission's rule, the Association, being composed of the property owners of the subdivision receiving water and sewer service from Central Jefferson, has an interest in this matter that is different from that of the general public and which may be adversely affected by a final order arising from the case. No other party has sought to oppose the Association's request to intervene within the ten-day period allowed in 4 CSR

240-2.080(15). Consequently, the Commission shall grant Association's motion to intervene.

**IT IS ORDERED THAT:**

1. Raintree Plantation Property Owners Association, Inc.'s Application for Intervention is granted.
2. This order shall become effective on September 19, 2006.
