Missouri Public
Service Commission

Dear Judge Hatcher:

In the Commission's August 26, 2021 *Order Directing Responses and Limiting Briefing*, the Commission requested as to the gross receipts tax (GRT) issue, that Spire Missouri provide copies of applicable laws used to calculate the GRT line item on customer bills. The Commission stated that it "... seeks copies of the municipal, county and local government ordinances, as opposed to state statutes." In Response, on September 1, 2021 Spire Missouri stated that it would provide approximately 253 local ordinances and franchises in support of the aforementioned "applicable laws" to the Commission. Due to technology limitations, the Company is also making copies of the approximately 253 local ordinances and franchises available to the Commission via the enclosed flash drive.

Please confirm once you have received the flash drive and let me know that you were able to access its contents.

Sincerely,

/s/ Goldie T. Bockstruck
