ORDER GRANTING EXTENSION OF TIME TO COMPLETE SURVEY

The Commission issued its Report and Order in this case on November 26, 1997, in which, *inter alia*, it ordered Missouri-American Water Company (MAWC) to complete a survey of its service territory. On April 9, 1998, MAWC filed a request for an extension of time from April 11 to July 10 to file the results of this survey. MAWC states that its review of its certificated areas has taken a great deal longer than expected, and that it intends to seek the assistance of the Commission Staff and the Office of the Public Counsel to verify its findings. No party has opposed this request, and the Commission finds it to be reasonable.

IT IS THEREFORE ORDERED:

1. That Missouri-American Water Company shall have until July 10, 1998 to file the survey of its service territory.
2. That this order shall become effective on June 29, 1998.
