Case No. _____

**APPLICATION FOR APPROVAL OF ASSIGNMENT OF ASSETS
AND RELATED TRANSACTIONS**

Telelobe USA Inc. ("Old Telelobe"), Telelobe USA LLC d/b/a Telelobe USA LLC (Missouri) ("New Telelobe"), and TLGB Corporation ("TLGB," and together with Old Telelobe and New Telelobe, "Applicants"), through their undersigned counsel and pursuant to Section 392.300 RSMo. (2000) and 4 CSR 240-2.060, hereby request approval from the Missouri Public Service Commission (the "Commission") for the sale of Old Telelobe's telecommunications business out of bankruptcy to TLGB. Applicants specifically request authority from the Commission for the *pro forma* assignment of Old Telelobe's Missouri assets to New Telelobe, and the subsequent transfer of control of New Telelobe to TLGB.

In accord with the requirements of 4 CSR 240-2.060(5)(F), New Telelobe has filed concurrently with this Application a separate application for a Certificate of Service Authority to provide competitive intrastate interexchange services within the State of Missouri.

Applicants respectfully request expedited treatment of this Application. A Motion for Expedited Treatment as required by 4 CSR 240-2.080(17) is being filed concurrently with this Application.

I. APPLICANTS

A. Old Teleglobe

1. Old Teleglobe is a Delaware corporation located at 11495 Commerce Park Drive, Reston, Virginia, 20191, that provides international facilities-based and resold telecommunications services on a wholesale and retail basis throughout the United States. A copy of Old Teleglobe's Certificate of Good Standing, which was issued by the Secretary of State for the State of Missouri, is attached hereto as *Exhibit A*. In Missouri, Old Teleglobe is authorized to provide interexchange telecommunications service pursuant to a Certificate of Service Authority granted by the Commission in Case No. TA-98-287 on March 2, 1998 (the "Certificate"). Old Teleglobe, however, does not currently provide intrastate service to customers in Missouri. Old Teleglobe is an indirect, wholly-owned subsidiary of Teleglobe Inc., a provider of international telecommunications services in Canada and various other countries. Teleglobe Inc. is a corporation organized under the laws of Ontario, Canada.

2. On May 15, 2002, Teleglobe Inc. and certain of its affiliates, including Old Teleglobe (collectively, the "Canadian Debtors"), applied for an order in the Ontario Superior Court of Justice pursuant to the Companies' Creditors Arrangement Act of Canada ("CCAA"), R.S.C. 985, c. C-36, commencing a restructuring proceeding and providing Teleglobe Inc. and its subsidiaries protection against creditor actions while they formulate a restructuring plan.

3. On May 28, 2002, Old Teleglobe and Teleglobe Inc.'s other U.S. subsidiaries filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. 101-1330, in the U.S. Bankruptcy Court for the District of Delaware.¹ Old Teleglobe's and the other U.S. subsidiaries of Teleglobe Inc.'s Chapter 11 cases (the "US Chapter 11

¹ *In re Teleglobe Communications Corp., et. al.*, Chap. 11 Case No. 02-11518 (MFW) (Bankr. Del., May 28, 2002).

Proceedings” and together with the CCAA Proceedings, the “Bankruptcy Proceedings”) have been consolidated for procedural purposes and are being administered jointly.

4. As part of the Bankruptcy Proceedings, Teleglobe Inc., Old Teleglobe, and their affiliates are undergoing a reorganization (the “Teleglobe Reorganization”) which, among other steps, involves the transfer and sale of Old Teleglobe’s telecommunications assets and businesses in the United States. On October 10, 2002, the Bankruptcy Court entered an Order finding that TLGB’s affiliates had submitted the highest and best offer for the U.S. assets of Teleglobe Inc. and its U.S. debtor subsidiaries (the “Sale Order”). The Sale Order also authorized Teleglobe Inc. and its U.S. subsidiaries, including Old Teleglobe, to consummate the transaction subject to receipt of regulatory approvals. A copy of the Sale Order is attached as *Exhibit B*.

B. New Teleglobe

5. New Teleglobe is a newly-formed limited liability company organized under the laws of the State of Delaware for the purpose of carrying out the transaction described herein. A copy of New Teleglobe’s Certificate of Good Standing, which was issued by the Secretary of State for the State of Missouri, is attached hereto as *Exhibit C*.² Currently, New Teleglobe is a wholly-owned subsidiary of Old Teleglobe. Following consummation of the proposed transaction, New Teleglobe will be a wholly-owned subsidiary of TLGB (TLGB’s ownership is discussed in subsection C below). New Teleglobe, as the successor of Old Teleglobe, will acquire substantially all of Old Teleglobe’s assets, as well as much of the experience of its senior personnel in providing telecommunications services. New Teleglobe’s principal place of business will be 1000 de la Gauchetiere West, Montreal, Quebec H3B 4X5, Canada.

² New Teleglobe will operate in Missouri under the business name of Teleglobe USA LLC (Missouri) and is so authorized and registered with the Secretary of State’s office according to the certificate of good standing attached.

C. TLGB

6. TLGB is a Delaware holding company that, after consummation of the proposed transaction, will be the direct parent company of New Telelobe.³ TLGB is an indirect wholly-owned subsidiary of Telelobe International Holding Ltd. ("TIH"), a newly-formed Bermuda corporation.

7. The majority owners of TIH are four investment funds that are affiliated with Cerberus Capital Management, LP ("Cerberus"). Cerberus is a private equity fund based in New York that manages over \$8 billion in assets, including investments in the technology and telecommunications sectors. The Cerberus funds are controlled by Stephen Feinberg, a U.S. citizen who is CEO of Cerberus.

8. Each of the four Cerberus funds will have at least a 10%, but less than a 50%, ownership interest in TIH. The precise ownership interests of each of the funds will not be known until shortly before closing of the proposed transaction. Collectively, however, the funds will have a greater than 50% ownership interest in TIH, and therefore will be the majority owners and controlling entities with respect to TIH.

II. CONTACTS

9. Questions or any correspondence, orders, or other materials pertaining to this Application should be directed to:

³ Since TLGB is a foreign corporation it is required, pursuant to 4 CSR 240-2.060 (1)(C) to attach a certificate from the Secretary of State that it is authorized to do business in Missouri. However, for good cause TLGB seeks a waiver of that requirement under the provisions of 4 CSR 240-2.015. Specifically, TLGB does not transact any business in the State of Missouri and will not do business in the state except through its future operating subsidiary, New Telelobe. The asset transfer described herein notwithstanding, TLGB does not intend to transact any business in the State of Missouri before or after the transfer and is therefore not required to register with the Secretary of State pursuant to Section 351.572, RSMo 2000. TLGB submits there is good cause to waive in this instance 4 CSR 240-2.060 (1)(C)'s requirement that the applicant submit a certificate of authority to do business in Missouri from the Secretary of State.

III. DESCRIPTION OF PROPOSED TRANSACTION

10. In furtherance of the Teleglobe Reorganization, on September 19, 2002, Teleglobe, together with certain of its subsidiaries, including Old Teleglobe, (collectively "Sellers") and TLGB's affiliate, TLGB Acquisition LLC, executed a purchase agreement (the "Purchase Agreement") and certain ancillary agreements.⁴ Pursuant to those agreements, Old Teleglobe formed a limited liability company under the laws of Delaware, New Teleglobe, as a wholly-owned subsidiary of Old Teleglobe. Immediately prior to the closing of the proposed transaction, Old Teleglobe will assign substantially all of its assets, including its Missouri operating assets, to New Teleglobe. At closing, Old Teleglobe will then transfer 100% of the stock of New Teleglobe to TLGB. As a result of the transaction, New Teleglobe will succeed to the current business and operations of Old Teleglobe and will exist as a wholly-owned subsidiary of TLGB. An illustrative chart of the Teleglobe Reorganization, including the pre- and post-reorganization corporate structure, is attached as *Exhibit D*. Applicants expect to consummate the proposed transaction as soon as all of the necessary regulatory approvals are obtained. Applicants therefore request expedited treatment of this Application.

⁴ A copy of the Purchase Agreement will be provided upon request

IV. THE PROPOSED TRANSACTION WILL SERVE THE PUBLIC INTEREST

11. The proposed transaction is in the public interest because it will lead to the emergence of a stronger and better-financed competitor in the Missouri telecommunications market. Under TLGB's ownership, New Teleglobe will be able to operate in a more efficient and economical manner and will have better access to capital needed to maintain and grow New Teleglobe's competitive telecommunications business. TLGB's acquisition of Teleglobe's business will permit New Teleglobe to continue to provide the high quality services that Old Teleglobe currently offers to its customers throughout the United States. This will enhance competition and serve the public interest. Moreover, the transaction will not adversely affect Missouri consumers. Therefore, the Commission should approve the transaction.

A. The Proposed Transaction Will Enhance Competition By Ensuring The Continued Viability Of New Teleglobe

12. Commission approval of the proposed transaction will serve the public interest by ensuring the continued viability of an important competitive provider of telecommunications services. Over the last few years numerous competitive carriers have been forced out of the telecommunications market. As a result, consumers and businesses have fewer competitive choices of telecommunications providers. The success of New Teleglobe, as the successor to Old Teleglobe, is critical to maintaining a competitive telecommunications market throughout the United States, including in Missouri.

13. The current financial condition of Old Teleglobe and its affiliates prevents Old Teleglobe from competing effectively for new customers. By transferring control of Old Teleglobe to TLGB, the proposed transaction will help remedy the financial problems that Old Teleglobe faces and allow it to continue to offer high-quality, competitively priced telecommunications facilities and services in the United States, including to Missouri consumers in the future. This will benefit consumers by ensuring reasonable market prices.

B. New Telelobe Is Qualified To Acquire Old Telelobe's Telecommunications Assets and to Provide Telecommunications Services in Missouri

14. Old Telelobe has previously obtained a Certificate of Public Convenience and Necessity from the Commission. Thus, its qualifications to provide telecommunications services are a matter of public record. New Telelobe, as the successor of Old Telelobe, will obtain its assets and operations as well as much of the substantial knowledge and expertise of Old Telelobe in providing telecommunications services. At the same time, the proposed transaction will give New Telelobe an improved capital structure that will ensure that New Telelobe will be able to compete effectively in Missouri.

15. As discussed above, following the consummation of the proposed transaction, New Telelobe will be ultimately controlled by four investment funds affiliated with Cerberus Capital Management, LP. Cerberus is a private equity fund based in New York that manages over \$8 billion in assets, including investments in the technology and telecommunications sectors.

16. As a result, following the consummation of the proposed transaction, New Telelobe will benefit from continued assistance from some of the key personnel of Old Telelobe, while also recruiting new qualified business people with relevant backgrounds into New Telelobe's management team. New Telelobe also will gain access to the experience and financial strength of TLGB and Cerberus. New Telelobe thus will have the managerial, technical, and financial resources necessary to operate in Missouri.

C. The Proposed Transaction Will Not Adversely Affect the Missouri Consumers or Operations of Old Telelobe

17. The proposed transaction will result in the creation of New Telelobe and its immediate transfer of control to TLGB. As discussed above, Applicants expect that much of the senior management of Old Telelobe will continue their duties at New Telelobe after the

closing of the proposed transaction. Old Teleglobe's qualified consumer representatives will continue to serve New Teleglobe. Applicants do not anticipate any changes to the rates, terms and conditions currently offered by Old Teleglobe. In short, Applicants expect that consumers will notice few or no changes in the services that are available from Old Teleglobe as a result of the proposed transaction.

18. Upon the certification of New Teleglobe to provide interexchange services to Missouri customers, Old Teleglobe will surrender its certificate of service authority.

19. No applicant herein has pending actions or final judgments or decisions against it or its affiliates from any state or federal agency or court that involve customer services or rates, which action, judgment or decision has occurred within three years of the date of this application. Based upon counsel's present information and belief, no annual report or assessment fees are overdue to the Commission from any applicant.

V. CONCLUSION

For the foregoing reasons the proposed *pro forma* assignment of Teleglobe USA's Missouri assets to New Teleglobe, the subsequent transfer of control of New Teleglobe to TLGB, and the request for waiver of Commission Rule 4 CSR 240-33.150 regarding authorization and verification of changes in telecommunications providers should be approved.

Respectfully submitted,

2002, at which time parties in interest were afforded an opportunity to be heard; and upon all of the proceedings had before the Court and the evidence received in connection therewith;

NOW, THEREFORE, upon the entire record of the Sale Hearing and these cases; and after due deliberation thereon; and good cause appearing therefor;

IT IS HEREBY FOUND AND DETERMINED THAT:⁵

1. This Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§157 and 1334.

2. Determination of the Sale Motion is a core proceeding under 28 U.S.C. §§157(b)(2)(A) and (N). The statutory predicates for the relief requested herein are sections 105(a), 363(b) and 1146(c) of the Bankruptcy Code, and Bankruptcy Rules 2002, 6004, and 6006.

3. Proper, timely, adequate and sufficient notice of the Sale Motion, Sale Transaction, Sale Hearing and Global Bidding Process has been provided in accordance with section 102(1) of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, and 6006 and the Procedures Order, and no other or further notice of the Sale Motion, Sale Transaction, Sale Hearing and Global Bidding Process or the entry of this Order is required.

4. A reasonable opportunity to object or be heard regarding the relief requested in the Sale Motion has been afforded to all interested persons and entities, including (i) the Official Committee of Unsecured Creditors (the "Creditors' Committee") appointed in these chapter 11 cases; (ii) the Office of the United States Trustee for the District of Delaware; (iii)

⁵ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Bankruptcy Rule 7052.

counsel to the Debtors' postpetition lender; (iv) counsel to the lenders under the Canadian Credit Facility; (v) counsel to the Informal Committee of Noteholders; (vi) counsel to Bank of Montreal; (vii) counsel to the Monitor; (viii) all parties who have made written expressions of interest in acquiring the Core Business within two (2) months prior to the date of the Procedures Order; (ix) all parties submitting bids for the Core Business in accordance with the Global Bidding Process; (x) all appropriate federal, state and local taxing authorities; (xi) any party asserting a lien on the US Debtor Sellers' assets; (xii) the Federal Communications Commission; and (xiii) all parties having filed a notice of appearance in the Debtors' chapter 11 cases pursuant to Bankruptcy Rule 2002.

5. The Debtors and the Monitor have full power and authority to consummate the Sale Transaction pursuant to the terms of the Purchase Agreement and all other documents contemplated thereby, and no consents or approvals, other than those expressly provided for in the Purchase Agreement (including the schedules thereto), including without limitation, the Interim Management Agreement and UK Interim Management Agreement, are required for the Debtors and the Monitor to consummate such transactions.

6. The Sale Transaction reflects the exercise of the Debtors' sound business judgment.

7. Approval of the Sale Transaction and the consummation of the transactions contemplated thereby, are in the best interests of the Debtors, their estates and parties in interest. Good and sufficient business justification for consummating the Sale Transaction pursuant to sections 105(a), 363(b) and 1146(c) of the Bankruptcy Code, has been established in that, among other things:

- (a) The Telelobe Companies' intention to proceed with an expedited sales process was outlined to major creditor groups prior to the initiation of the Canadian Proceedings, the Ancillary Proceedings and the commencement of these chapter 11 cases;
- (b) The Telelobe Companies, with the assistance of Lazard, have marketed the Core Business since the last week of April of 2002 (the "Marketing Period"). The parties likely to have an interest in the Core Business were identified and discussions were had with parties who expressed interest. Lazard contacted over 30 eligible parties during the Marketing Period and established the Data Room to allow parties to conduct due diligence. Approximately 13 interested parties conducted due diligence in the Data Room with respect to the entire Core Business and approximately 12 other interested parties conducted due diligence in the Data Room with respect to portions of the Core Business;
- (c) The value of the Core Business and Purchased Assets is unlikely to appreciate with time in a restructuring proceeding. The critical nature of telecommunication services is not conducive to maintaining customers in an uncertain environment. Retaining revenue in any type of protracted restructuring with an uncertain outcome is extremely difficult; and
- (d) The Global Bidding Process and Bidding Procedures provided a forum in which the potential for conflicts of interest was addressed and maximized the likelihood that potential purchasers would participate in the process.

8. The terms and conditions of each of the Purchase Agreement, Interim Management Agreement and UK Interim Management Agreement are fair and reasonable. The purchase price under the Purchase Agreement (the "Purchase Price") represents the highest and best offer for the Core Business and Purchased Assets and is fair and constitutes reasonably equivalent value for the Core Business and Purchased Assets.

9. The Global Bidding Process was conducted without collusion and in good faith. Each of the Purchase Agreement, Interim Management Agreement and UK Interim Management Agreement was negotiated, proposed and entered into by the parties without collusion, in good faith, and from arm's length bargaining positions. The Buyer is not affiliated

with any of the Debtors and is a purchaser in good faith of the Core Business and Purchased Assets (to the extent held by the US Debtor Sellers) and, as such, is entitled to the protections afforded thereby by section 363(m) of the Bankruptcy Code. None of the Debtors, the Monitor or the Buyer has engaged in any conduct that would cause or permit the Purchase Agreement and the transactions contemplated thereby to be avoided under section 363(n) of the Bankruptcy Code.

10. The transfer by the US Debtor Sellers of the Core Business and Purchased Assets (to the extent held by the US Debtor Sellers) to the Buyer pursuant to the Purchase Agreement (a) will be a legal, valid and effective transfer of property or rights in, of or to the Core Business and Purchased Assets (to the extent held by the US Debtor Sellers) to the Buyer, and (b) except as provided in the Purchase Agreement, such rights of, to or in the Core Business and Purchased Assets (to the extent held by the US Debtor Sellers) will vest the Buyer with good and marketable title to the Core Business and Purchased Assets (to the extent held by the US Debtor Sellers), free and clear of all liens, claims, interests, and encumbrances under section 363(f) of the Bankruptcy Code.

11. Except as provided in the Purchase Agreement, Interim Management Agreement or UK Interim Management Agreement, consummation of the Sale Transaction does not and will not subject the Buyer to any debts, liabilities, obligations, commitments, responsibilities or claims of any kind or nature whatsoever, whether known or unknown, contingent or otherwise, existing as of the date hereof or hereafter arising, of or against the Debtors, any affiliate of the Debtors, or any other person by reason of such transfers and assignments under the laws of the United States, any state, territory or possession applicable to

such transactions; provided, however, the Buyer shall be liable for payment of the Assumed Liabilities as provided in the Purchase Agreement.

12. All of the provisions of this Order and the Purchase Agreement are nonseverable and mutually dependent.

13. The relief requested in the Sale Motion is in the best interests of the Debtors, their estates and parties in interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:

1. The Sale Motion be, and it hereby is, granted in its entirety; provided, however, the Debtors shall file one or more Motions to approve the assumption and assignment of the Assigned Contracts and Leases to the Buyer pursuant to the Purchase Agreement (the "Assumption Motion(s)") and one or more Motions to reject those contracts and leases designated as contracts and leases to be rejected by the Buyer pursuant to the Purchase Agreement.

2. All objections, if any, to the Sale Motion or the relief requested therein or the sale of the Core Business and Purchased Assets (to the extent held by the US Debtor Sellers) to the Buyer pursuant to the terms and conditions of the Purchase Agreement, or the entry into the Interim Management Agreement that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are overruled on the merits.

3. The Sale Transaction and the terms and conditions and transactions contemplated by the Purchase Agreement, including, but not limited to, (i) the sale of the Core

Business and Purchased Assets (to the extent held by the US Debtor Sellers) to the Buyer; (ii) the assumption of the Assumed Liabilities (other than Assumed Liabilities under the Assigned Contracts and Leases) by the Buyer; and (iii) the execution of the Interim Management Agreement, are hereby authorized and approved in all respects, pursuant to sections 105(a) and 363(b) of the Bankruptcy Code.

4. The terms and conditions of the Interim Management Agreement (to the extent such relate to the US Debtor Sellers) and the UK Interim Management Agreement (to the extent such relate to the US Debtor Sellers), including, without limitation, the exercise of all rights by the Manager (as defined in each of the Interim Management Agreement and the UK Interim Management Agreement) and all other rights and authority granted to the Manager therein are hereby approved.

5. 18. The terms and provisions of the Purchase Agreement, Interim Management Agreement and UK Interim Management Agreement (to the extent a party thereto), together with the terms and provisions of this Order, shall be binding in all respects upon the US Debtor Sellers, the Buyer, and their respective affiliates, successors and assigns, and any affected third parties including but not limited to all nondebtor parties to the Assigned Contracts and Leases that are assumed and assigned pursuant to the Assumption Order(s) and the Assumed

Liabilities to be assigned to the Buyer pursuant to the Purchase Agreement (other than Assumed Liabilities under the Assigned Contracts and Leases), and persons asserting a claim against or interest in the US Debtor Sellers' estates or any of the Purchased Assets to be sold to the Buyer pursuant to the Purchase Agreement.

19. The failure specifically to include any particular provisions of the Purchase Agreement, Interim Management Agreement or UK Interim Management Agreement in this Order shall not diminish or impair the efficacy of such provisions, it being the intent of the Court that the Purchase Agreement, Interim Management Agreement and UK Interim Management Agreement be authorized and approved in their entirety.

20. The Purchase Agreement, Interim Management Agreement, UK Interim Management Agreement and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court, provided that any such modification, amendment or supplement has no material adverse effect on the Debtors' estates or their creditors.

and the Preserved Claims and Preserved Counter Claims are hereby reserved and, notwithstanding the terms of the Purchase Agreement, the Preserved Claims and Preserved Counter Claims are expressly excluded from the Core Business and Purchased Assets, provided that the Preserved Claims and Preserved Counter Claims may not be advanced against the Buyer or the Core Business and Purchased Assets, and further, provided that nothing in this paragraph 24 shall in any manner or to any extent limit or restrict the Transfer (as defined in the Purchase Agreement) of the Core Business and Purchased Assets or the Buyer's rights under the Interim Management Agreement (including, without limiting the generality of the foregoing, the Bell Canada Contracts (as defined in the Purchase Agreement) and the Assignment and Assumption Agreement dated January 1, 2001 among Teleglobe Inc., Bell Canada and BCE Nexxia Inc. (together with the Bell Canada Contracts, the "Bell Contracts"), and the other Contracts and the Current Assets as defined in the Purchase Agreement), free and clear of all Liens as set forth in decretal paragraph 8 of this Order and for greater certainty the reservation of any such Preserved Claims and Preserved Counter Claims herein shall not under any circumstances in any way impact or affect the purchase, Transfer or the use of the Core Business and Purchased Assets in the ordinary course of the operation of the acquired business by the Buyer.

26. The Buyer be and is hereby required to preserve and maintain the Transferred Books and Records (as defined in the Purchase Agreement); provided that nothing herein shall require the Buyer to preserve and maintain the Transferred Books and Records other than as it would in the ordinary course of its business.

27. Upon request by the Debtors, the Creditors' Committee, any party to a Preserved Claim or Preserved Counter Claims or other Court-appointed officer, the Buyer shall, at the expense of the requestor (with respect to out-of-pocket costs) make the Transferred Books and Records available pursuant to a step taken in any proceeding on prior notice (to be given by any requestor) to any interested parties, to the requestor for use in any judicial or regulatory proceeding or proceedings in respect of, or related to, the Preserved Claims and Preserved Counter Claims; provided that nothing herein shall require the Buyer to preserve and maintain the Transferred Books and Records other than as it would in the ordinary course of its business.

28. In connection with the transaction contemplated by the terms of this Order, unless Cap Gemini Ernst & Young ("CGE&Y"), the Debtors and the Buyer agree otherwise, the Debtors will not sell, assign or otherwise transfer to the Buyer any CGE&Y property or any equipment that contains electronic versions of CGE&Y property that: (i) constitutes a non-exclusive license pursuant to the Master Services Integration and Development Agreement dated as of July 31, 2001, as amended and otherwise modified from time to time ("MSIDA"), or (ii) has been rejected pursuant to the rejection of the MSIDA by Telelobe Inc.

29.
