ORDER APPROVING INTERIM HANNIBAL-CANTON DISTRICT RATES

United Cities Gas Company (United) of Brentwood, Tennessee, submitted a tariff sheet to the Commission on August 29, 1997, carrying an effective date of October 1, 1997. The tariff sheet is designed to change Purchased Gas Adjustment (PGA) factors for its Hannibal-Canton District as a result of the initiation of a refund factor. The net effect of these changes will decrease United's annualized revenues by approximately \$11,900. The impact on a typical residential space heating customer using 42 Ccfs of natural gas in the month of October will be a decrease of \$0.02, or 0.1%.

The Staff of the Commission (Staff) filed a memorandum stating that these changes in United's PGA was calculated in conformance with its approved PGA Clause and recommends that the Commission approve the tariff sheet to become effective on October 1, 1997. Staff recommended that the tariff sheet be approved on an interim basis, subject to refund, until the Commission makes its final determinations in Case Nos. GR-96-197 and GR-97-259.
