**NOTICE OF NEW FILE NUMBER**

Issue Date: March 1, 2010

Effective Date: March 1, 2010

On February 11, 2010, Bear Creek Water and Sewer, LLC ("Bear Creek"), filed an application. That application requests, among other things, authority from the Commission for Bear Creek to sell its sewer system and its certificate of convenience and necessity to Table Rock Lake Community Service, Inc., ("Table Rock Lake Community Service").

The Commission originally assigned the application File No. WM-2010-0236. Because the above-application is for the sale of sewer assets, and not water assets, a more appropriate file designation is SM-2010-0241, which is a sewer file number. Parties shall use File No. SM-2010-0241, and not WM-2010-0236, when referring to this file.
