File No. SM-2016-0204

ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: March 7, 2016

Effective Date: March 7, 2016

On February 16, 2016, House Springs Sewer Company, Inc. ("HSSC") and Jefferson County Public Sewer District ("JCPSD") filed a joint application ("Application") with the Commission. The Application seeks authority for JCPSD to buy the assets HSSC uses to provide sewer service to approximately 1,100 customers in Jefferson County, and then for JCPSD to provide sewer service to those customers.

On February 23, 2016, the Commission received an application to intervene from The County of Jefferson, Missouri and Delinquent Tax Trustee for Jefferson County, Missouri. Commission Rule 4 CSR 240-2.080(13) allow parties ten days to respond to pleadings unless otherwise ordered by the Commission. The Commission issued no order to the contrary, and ten days have elapsed since the application to intervene was filed. Thus, the Commission will take it up unopposed.

Commission Rule 4 CSR 240-2.075(3) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed application, the Commission finds

that the applicants meet the standard in Commission Rule 4 CSR 240-2.075(3). Therefore, the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene filed by The County of Jefferson, Missouri and Delinquent Tax Trustee for Jefferson County, Missouri is granted.
2. This order shall be effective when issued.
