Case No. TA-2000-544

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission ("Staff") and for its
Recommendation states:

1. In the attached *Memorandum*, which is labeled *Appendix A*, Staff recommends that the Missouri Public Service Commission ("Commission") grant UKI Communications, Inc. ("Applicant") a certificate to provide interexchange telecommunications services. The Commission shall grant an application for a certificate of telecommunications service authority upon a finding that the grant of authority is in the public interest. (See Sections 392.430 and 392.440, RSMo 1994).
2. Staff also recommends that the Commission classify Applicant and its services as competitive. The Commission may classify a telecommunications provider or its services as competitive if the Commission determines it is subject to sufficient competition to justify a lesser degree of regulation. (See Section 392.361.2, RSMo 1994.) All the services a competitive company provides must be classified as competitive. (See Section 392.361.3, RSMo 1994.)

g

3. Staff further recommends that the Commission approve the waivers listed in the First Amended Application. The Commission may waive the application of its rules and certain statutes if the Commission determines that the waiver is consistent with the purposes of Chapter 392, RSMo. (See Sections 392.361.3 and 392.420, RSMo 1994, as well as Section 392.185, RSMo Cum.Supp. 1999.)

WHEREFORE Staff recommends that the Commission grant Applicant a certificate to provide interexchange telecommunications services. Staff also recommends that the Commission grant Applicant competitive classification, approve Applicant's proposed tariff, PSC MO NO. 1 with a proposed effective date of April 24, 2000, and approve the waivers listed in the First Amended Application.

Respectfully submitted,

DANA K. JOYCE
