The Commission has also determined that five permanent Working  
Groups should be established:

Committee, composed of the chairs of the Working Groups and presided over by the Moderator, shall be formed to coordinate the work of the Task Force and its Working Groups. Finally, a Legal Committee shall be formed to study and report on issues referred to it by the Working Groups or the Executive Committee from time to time.

The Commission requests that the Task Force establish the membership of the permanent Working Groups and the standing Committees, and provide the Commission with notice of those members by July 8, 1997.

The Market Structure Working Group should complete its report no later than November 4, 1997.
