ORDER CLOSING DOCKET

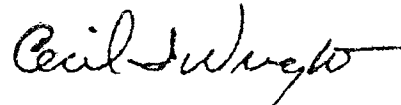

On June 26, 1997 an application for intervention was filed by the Midwest Gas Users' Association (MGUA) requesting intervention in Tariff File No. 9700826. This application was later assigned Case No. GR-97-562. In its application MGUA refers to three tariff filings made by Missouri Gas Energy (MGE), those being on June 5, 1997, June 18 and a substitute filing made on June 23. MGUA requests full intervention in the above-stated tariff docket.

The instant tariffs became effective on July 6. This being the case, the Commission finds the application for intervention to be moot. The request will be dismissed and this docket closed.

IT IS THEREFORE ORDERED:

1. That the application for intervention filed June 26, 1997 by the Midwest Gas Users' Association is dismissed as being moot for the reason as set out above.
2. That this docket is hereby closed.
3. That this order shall become effective on August 15, 1997.
