Issue Date: October 23, 2017

Effective Date: October 23, 2017

Missouri Utilities Company (“Missouri Utilities”) filed an application with the Commission seeking authority to sell and transfer its water and sewer utilities to Elm Hills Utility Operating Company, Inc. (“Elm Hills”). On September 19, 2017, the Commission issued an order approving a stipulation and agreement and the transfer request. Under the terms of a Commission-approved stipulation and agreement, Missouri Utilities was authorized to cease providing service immediately after closing on the assets and be removed as an active water and sewer utility after notice of the closing was provided to the Commission.

Elm Hills submitted timely notice that the closing on the transfer of assets occurred on October 16, 2017. The Commission will therefore cancel the Certificates of Convenience and Necessity to provide water and sewer service originally granted to Missouri Utilities. The Commission will also cancel the water and sewer tariffs for Missouri Utilities.

THE COMMISSION ORDERS THAT:

1. The Certificate of Convenience and Necessity granted to Missouri Utilities Company to provide water service is canceled.
2. The Certificate of Convenience and Necessity granted to Missouri Utilities Company to provide sewer service is canceled.
3. Missouri Utilities Company's sewer tariff, assigned Tracking No. JS-2002-0044, is canceled.
4. Missouri Utilities Company's water tariff, assigned Tracking No. JW-2002-0043, is canceled.
5. This order shall be effective when issued.
6. This file shall close on December 31, 2017.
