ORDER GRANTING EXTENSION OF TIME TO SUBMIT REPORT ON
INVESTIGATION

Issue Date: December 12, 2006

Effective Date: December 12, 2006

On November 29, 2006, the Commission directed its Staff to investigate and report on whether an order approving the proposed sale of Central Jefferson County Utilities, Inc.'s water and sewer assets would have an effect on the Commission's ability to seek penalties against Central Jefferson for violations of any Commission rule, statute, or Central Jefferson tariff provision. On December 11, Staff requested an extension of time to file its report. Staff maintains that the press of other business has delayed the completion of its report and requests an extension of the filing deadline. Staff further asserts that no other party will be prejudiced by the two-day extension requested.

The Commission finds Staff's request to be reasonable and will grant the extension.

IT IS ORDERED THAT:

1. The Staff of the Missouri Public Service Commission's Request for Extension of Time is granted.

2. The Staff of the Missouri Public Service Commission's report, as described in the body of this order, shall be filed no later than December 13, 2006.

3. This order shall become effective on December 12, 2006.
