Case No. SO-2007-0071

STAFF'S MOTION FOR LEAVE TO FILE LIST OF ISSUES ONE DAY LATE

COMES NOW the Staff of the Missouri Public Service Commission and, for its Motion for Leave to File List of Issues One Day Late, states to the Missouri Public Service Commission as follows:

1. On October 10, 2006, the Commission issued its Order Adopting Procedural Schedule, in which it ordered the parties to agree upon, and the Staff to file, a list of the issues to be heard, the witnesses to appear on each day of the hearing and the order in which they will appear, and the order of cross-examination of each witness, by no later than November 22, 2006. The Commission subsequently amended the procedural schedule to allow the Staff to file the said pleading by no later than December 1, 2006.

2. Counsel for the parties, and some witnesses, met on November 21, 2006, and again on November 30, 2006, to discuss the list of issues and order of proceeding, and reached general agreement on the said matters. However, because the large snow storm that struck the Jefferson City area on the evening of November 30, the parties were not able to complete agreement on these matters on December 1, as planned. All parties, except for Environmental Management Corporation (which did not become a party until December 4), have now agreed upon the list of

issues, order or witnesses and order of cross-examination. The Staff therefore desires to file the required pleading one day late, on December 4, 2006.

WHEREFORE, the Staff moves the Commission for its order granting the Staff a one-day extension of the deadline to file the List of Issues, Order of Witnesses, and Order of Cross-Examination, and authorizing the Staff to file the said pleading on December 4, 2006.

Respectfully submitted,

/s/ Keith R. Krueger
