TO THE JOINT MOTION OF AMEREN MISSOURI, ET AL.**

Midcontinent Independent System Operator, Inc. (“MISO”) states the following in response to the Joint Motion of Ameren Missouri, the Staff of the Missouri Public Service Commission, the Office of the Public Counsel, and the Missouri Industrial Energy Consumers submitted on November 25, 2014:

1. MISO concurs in the proposal to modify the dates contained in paragraph 6 of the joint motion, as modified by the Amendment to Joint Motion filed by the moving parties on November 26, 2014. That amendment changed the existing date of May 31, 2016 in paragraph 6(a) to May 31, 2018, consistent with the modifications proposed for paragraphs 6(b), (d), and (g). MISO has no objection to the other proposed modifications contained in the Joint Motion.

2. With regard to the sentence in paragraph 3 of the joint motion, at the top of page 4, MISO states that the six operating utilities of Entergy Corporation were fully integrated into the MISO footprint on December 19, 2013, along with other utilities including Arkansas Electric Cooperative Corporation, South Mississippi Electric Power Association, and Cleco Power LLC.

Respectfully submitted,
