On July 14, 2014, West 16th Street Sewer Company, W.P.C. Sewer Company, Village Water and Sewer Company, Inc., and Raccoon Creek Utility Operating Company, Inc. ("Applicants") filed an application with the Missouri Public Service Commission ("Commission") seeking authority for Raccoon Creek Utility Operating Company, Inc. to purchase substantially all of the sewer assets of the other Applicants and to issue up to \$1,600,000 of secured indebtedness.

On August 13, 2014, the Commission issued an order which required Staff to file a recommendation regarding the application no later than September 10, 2014. Staff represents that the other parties have no objection to the extension of time. The Commission finds the request reasonable and will grant it.
