**RESOURCES TO FILE A COMPLIANCE REPORT**

Issue Date: April 7, 2008

Effective Date: April 7, 2008

On March 5, 2008, the Commission issued notice in this matter and directed various filings. As part of that order the Commission requested a report from the Missouri Department of Natural Resources (“DNR”) indicating whether Stoddard County Sewer Company, Inc. is in compliance with DNR’s requirements regarding sewer service. Unfortunately, the Commission inadvertently failed to serve a copy of that order on DNR. Consequently, the Commission requests this report by this separate order. If the company is not in compliance with DNR’s requirements, DNR shall outline what steps the company has taken to come into compliance.

**IT IS ORDERED THAT:**

1. The Missouri Public Service Commission’s Data Center shall send a copy of this order to the Missouri Department of Natural Resources.
2. No later than April 21, 2008, the Missouri Department of Natural Resources shall file a pleading as outlined in the body of this order.

3. This order shall become effective on April 7, 2008.
