ORDER CANCELING TARIFFS

In its Order Approving Stipulation and Agreement dated June 19,
1998, the Commission found:

Although the stipulation does not mention it, the Commission finds
that the certificate of authority to provide water and sewer service
held by Incline, and the tariffs pursuant to which it provides
service, should be canceled on the date that tariffs filed by WCWS
become effective. This will ensure that only one regulated utility
holds a certificate to serve in the area. All the utility assets
held by Incline [Incline Water & Sewer Company] are being
transferred to WCWS, and the entirety of Incline's service area will
be served by WCWS. When the Commission approves WCWS's tariffs, it
will simultaneously cancel Incline's certificate of authority.

In a separate order issued this date, the Commission approved WCWS
tariffs. Accordingly, the Commission will cancel Incline's tariff sheets
and certificate of service authority.

IT IS THEREFORE ORDERED:

1. That the tariff sheets of Incline Water & Sewer Company are
hereby canceled for service on or after August 21, 1998.
2. That the authority of Incline Water and Sewer Company to
provide water and sewer utility service is canceled.

3. That this order shall become effective on August 21, 1998.
