File No. EA-2015-0256

STATUS UPDATE

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and respectfully submits this *Status Update* in the above captioned matter.

1. On November 12, 2015, KCP&L Greater Missouri Operations Company (“GMO” or “Company”) filed its Application for a Certificate of Public Convenience and Necessity (“CCN”) authorizing it to construct, install, own, operate, maintain and otherwise control and manage electrical solar production and related facilities near Greenwood, Missouri.

2. On November 13, 2015, the Commission ordered Staff to file a status update no later than November 23, 2015, stating when it would file a recommendation on GMO’s application.

3. The intervention period ends December 7, 2015. Staff believes it will need at least sixty (60) days to gather information and file its recommendation. Therefore, Staff recommends the Commission order Staff to file its recommendation in this case by January 23, 2016.

WHEREFORE, Staff submits its status report and recommends the Commission order Staff to file its recommendation in this case no later than January 23, 2016.

Respectfully submitted,

/s/ Marcella L. Mueth
