## BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of the Application of South Central MCN LLC for Approval of Transfer of Assets and a Certificate of Convenience and Necessity

File No. EA-2016-0036

## ORDER GRANTING INTERVENTION TO CITY UTILITIES OF SPRINGFIELD

Issue Date: November 10, 2015 Effective Date: November 10, 2015

The Commission received no response to the Motion to Intervene on Behalf of City

)

Utilities of Springfield, Missouri ("motion")<sup>1</sup> within the time allowed by regulation.<sup>2</sup> The

Commission may grant the motion if:

(A) The proposed intervenor . . . has an interest which is different from that of the general public and which may be adversely affected by a final order arising from the case; or

(B) Granting the proposed intervention would serve the public interest. [<sup>3</sup>]

In support of the motion, the City of Springfield's Board of Public Utilities ("Springfield")

alleges that it has specifically studied the costs to Springfield customers, so it has special

knowledge of those matters, and disputes certain allegations in the application. Those

circumstances meet the regulation's requirements. Therefore, the Commission will grant

the motion.
