ORDER APPROVING INTEREXCHANGE CERTIFICATE OF SERVICE AUTHORITY AND
ORDER APPROVING TARIFF

DavelTel, Inc. (DavelTel) applied to the Public Service Commission on October 9, 1998, for a certificate of service authority to provide intrastate interexchange telecommunications services in Missouri under § 392.440, RSMo 1994¹. DavelTel asked the Commission to classify it as a competitive company and waive certain statutes and rules as authorized by §§ 392.361 and 392.420. Applicant is an Illinois corporation, with its principal office located at 1429 Massaro Boulevard, Tampa, Florida 33619.

The Commission issued a Notice of Applications and Opportunity to Intervene on October 27, directing parties wishing to intervene to file their requests by November 11. The requirement for a hearing is met when the opportunity for hearing has been provided and no proper party has requested the opportunity to present evidence. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2d 494, 496 (Mo. App. 1989). Since no one has asked permission to intervene or requested a hearing, the Commission may grant the relief requested based on the verified application.

¹ All statutory references are to the Revised Statutes of Missouri 1994 unless otherwise indicated.

DaveTel filed a proposed tariff in conjunction with its application and filed substitute sheets on November 12, December 9 and December 10. The tariff's original effective date was November 24. DaveTel extended the effective date on three occasions with the final tariff effective date being December 24, 1998. DaveTel's tariff describes the rates, rules, and regulations it intends to use, identifies DaveTel as a competitive company, and lists the waivers requested. DaveTel intends to provide interexchange telecommunications services including 1+, Operator and Debit Card services.

In its Memorandum filed on December 15, the Staff of the Commission stated that Applicant's proposed services are similar to existing IXC offerings. Staff recommended that the Commission grant Applicant a certificate of service authority, competitive status, and waiver of the statutes and rules listed in the Notice. Staff recommended that the Commission approve the proposed tariff as amended to become effective on December 24.

The Commission finds that competition in the intrastate interexchange telecommunications market is in the public interest and Applicant should be granted a certificate of service authority. The Commission finds that the services Applicant proposes to offer are competitive and Applicant should be classified as a competitive company. The Commission finds that waiving the statutes and Commission rules set out in the ordered paragraph below is reasonable and not detrimental to the public interest.

The Commission finds that DaveTel's proposed tariff details the services, equipment, and pricing it proposes to offer, and is similar to tariffs approved for other Missouri certificated

interexchange carriers. The Commission finds that the proposed tariff filed on October 9 shall be approved as amended to become effective on December 24.

IT IS THEREFORE ORDERED:

1. That DavelTel, Inc. is granted a certificate of service authority to provide intrastate interexchange telecommunications services in the state of Missouri, subject to all applicable statutes and Commission rules except as specified in this order.

2. That DavelTel, Inc. is classified as a competitive telecommunications company. Application of the following statutes and regulatory rules shall be waived:
