REQUEST FOR MEDIATION AND TO SUSPEND SCHEDULE

COME NOW Respondents and, as their Request for Mediation and To Suspend Schedule, states as follows to the Missouri Public Service Commission:

1. The Notice of Contested Case and Order Directing Filing issued on November 17, 2014 (Notice and Order), provided, in part, as follows:

As an alternative to the formal evidentiary hearing procedure, the Commission offers mediation. Mediation is a voluntary process in which a neutral person assists the parties in exploring opportunities for settlement. Upon a request for mediation, the Commission may suspend the schedule set forth in this order.

2. The Notice and Order further directed that an answer to the complaint be filed by December 17, 2014.

3. Respondents hereby request mediation and a suspension of the date for the filing of an answer until such time as mediation can be scheduled and conducted.

4. The undersigned has recently been engaged by TUK LLC to address matters concerning the Commission. TUK LLC plans to file an application for certificates of convenience and necessity in the near future. Respondents believe that this application will provide additional information that will be useful to the mediation and settlement process.

Further, it will be a more efficient use of TUK LLC, Staff, and Commission resources to first address such application, rather than address an answer to the complaint.

WHEREFORE, Respondents request that the Commission issue its order directing mediation and suspending date for the filing of an answer until such time as mediation can be scheduled and conducted.

Respectfully submitted,

BRYDON, SWEARENGEN & ENGLAND P.C.
