RE: Sewer Utility Small Company Rate Increase Request
MO PSC Case No. SR-2009-0226

Dear Secretary:

Enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between the R.D. Sewer Company, L.L.C. (Company), the Commission Staff (Staff) and the Office of the Public Counsel (OPC) regarding the above-referenced small company rate increase request. The Company was authorized by the Commission on August 5, 2009, to file tariffs in compliance with the Unanimous Disposition Agreement filed in this case

Since the above-referenced Disposition Agreement is between the Company, the Staff and the OPC, the enclosed tariff sheets bear an effective date that is at least 30 days from the issue date, as is provided for by the small company rate increase procedure.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$6,350 in the Company's annual sewer system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

Rodger Owens
Owner

F. RATE SCHEDULE FOR SEWER SERVICE. (continued)

2. Contribution in Aid of Construction Charges (continued)

- a. Service connections contemplates year around service and paid for monthly, or in advance.
- b. Rate is applied after connection to home and sewer main has been completed.
- c. After the effective date of this tariff sheet an applicant will be required to pay as a condition of service the appropriate contribution in aid of construction charge. However, the Company may allow this to be paid over a period of time provided that the customer agrees to pay one percent (1%) interest per month on the unpaid balance. The term of payment shall be listed in the application (Rule G) for service. The payments must be made monthly.
- d. If requested, the Company may install the service sewer from the collection main to the applicant's property line within two (2) weeks under the following terms and conditions:
 - (1) The applicant shall pay a service sewer installation charge of \$400.00.
 - (2) The applicant has submitted a proper application.
 - (3) The applicant must comply with Rule F2C.
 - (4) A collecting sewer must be adjacent to the property. Where collecting sewers are not available the Company will make it available within a reasonable time.
