

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Mid MO)	
Sanitation, LLC for a Small Company Rate)	
Increase)	<u>Case No. SR-2010-0095</u>

MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and for its *Motion for Extension of Time* states the following:

1. On September 11, 2009 the Missouri Public Service Commission (the Commission) received a Rate Increase Request Letter (Request Letter) from Mid MO Sanitation, LLC (Mid MO or the Company).

2. In its Request Letter, the Company requests the Commission allow an increase of \$1.00 in its annual sewer system operating revenues pursuant to Commission Rule 4 CSR 240-3.050.

3. Mid MO applied for a Certificate of Convenience and Necessity (CCN) in Case No. SA-2009-0319. In that case, Mid MO, the Office of Public Counsel (OPC), and Staff entered a Unanimous Stipulation and Agreement requiring Mid MO to commence a Small Utility Rate Case within ninety (90) days of the effective date of the Commission Order approving that agreement.

4. As of the date of this filing, the Company is still waiting for an operating permit from the Missouri Department of Natural Resources (DNR). Without a permit, the Company cannot be certain of what DNR's requirements for the facility are and what items the Company will need to include in the contract between the Company and a certified sewer operator.

5. Commission Rule 4 CSR 240.3.050(12) allows Staff and the Company to extend the deadlines set out in sections (9), (10) and (11) for up to two (2) months.

6. Staff and Mid MO agree that it is necessary to extend the Small Utility Rate Increase process for sixty (60) days.

7. Staff will file an amended timeline reflecting the extension of time by December 3, 2009.

WHEREFORE, the Staff respectfully requests the Commission order a sixty (60) day extension to the timeline.

Respectfully submitted,

/s/ Samuel D. Ritchie
