ORDER GRANTING MOTION FOR EXTENSION OF TIME

Issue Date: November 30, 2009

Effective Date: November 30, 2009

On November 24, 2009, the Staff of the Commission filed a motion to extend by 60 days the deadlines set out in Commission rules 4 CSR 240-3.050(9), (10) and (11). Under subsection (12) of the same rule, Staff and the company may agree to extend those deadlines for up to two months.

Staff informs the Commission that Mid Mo Sanitation, LLC is waiting for an operating permit from the Missouri Department of Natural Resources, without which the company faces uncertainties as to what to include in the contract between it and a certified sewer operator.

The Commission finds the extension reasonable and will grant the request relief. In compliance with Commission rule 4 CSR 240-3.050(12) Staff shall file a written agreement and an updated timeline reflecting the extension.

THE COMMISSION ORDERS THAT:

1. The Staff of the Commission's Motion for Extension of Time is granted.
2. The Staff of the Commission shall file, no later than December 4, 2009, a written agreement and an updated timeline reflecting the extension.

3. This order shall become effective upon issuance.
