Syllabus: This order approves on an expedited basis the tariff sheets filed in compliance with a Commission order by Aqua Missouri, Inc.

On September 28, 2006, the Commission issued an order that authorized Aqua Missouri to withdraw and refile tariff sheets designed to implement the terms of an agreement between the company, Staff of the Missouri Public Service Commission, and the Office of the Public Counsel. The agreement also stated that the signatories did not object to the tariffs becoming effective on an expedited basis. The Commission's order further found that good cause exists to make the refiled tariff sheets effective on less than 30 days notice.
