File No. SR-2010-0320
Tariff No. YS-2011-0509

ORDER APPROVING TARIFFS IN COMPLIANCE WITH COMMISSION ORDER AND GRANTING REQUEST FOR AN EXPEDITED EFFECTIVE DATE

Issue Date: April 18, 2011

Effective Date: April 28, 2011

On March 30, 2011, the Missouri Public Service Commission issued its Report and Order approving a rate increase request for Timber Creek Sewer Company. In that order, the Commission directed Timber Creek to file compliance tariffs to implement the approved rate increase, and set deadlines for responses. When Timber Creek filed its tariff sheet it requested Commission approval for an effective date of less than 30 days, the statutorily required effective date absent a showing of good cause. A thirty-day effective date is May 6, 2011; however, Timber Creek seeks an effective date of April 28, 2011, to coincide with its May billing cycle.

On April 5, 2011, Staff recommended the Commission approve the tariff sheet and stated it had no objection to an April 28, 2011 effective date. Staff states the tariff sheet is in compliance with the Commission's Report and Order. No other party responded to the tariff filing.

After independently reviewing the tariff filing, the Commission finds the tariff to be in compliance with its Report and Order. The Commission further finds good cause for allowing the tariff to become effective in less than 30 days in order to coincide with Timber Creek's billing cycle.

THE COMMISSION ORDERS THAT:

1. The substitute tariff sheet filed by Timber Creek Sewer Company on April 5, 2011, pursuant to the Commission's March 30, 2011 Report and Order, assigned Tariff No. YS-2011-0509, bearing an effective date of May 6, 2001 is approved to become effective on April 28, 2011. The tariff sheet approved is:

P.S.C. MO NO. 2
2nd Revised Sheet No. 4, Canceling 1st Revised Sheet No. 4

2. This order is effective on April 28, 2011.
3. This file shall be closed on April 29, 2011.
