MOTION FOR ORDER NUNC PRO TUNC

COMES NOW the Staff of the Missouri Public Service Commission, by and through undersigned counsel, and hereby respectfully moves the Commission, pursuant to Rule 74.06(a) corollary 4 CSR 240-2.080(4) and 2.160(4), to correct a clerical omission, nunc pro tunc in the *Order Approving Disposition Agreement and Tariff* ("Order") issued by the Commission on October 22, 2014. In support of this motion, Staff states as follows:

1. The Order approves the Updated Agreement and Supplemental Updated Agreement between Staff and P.C.B., Inc., and the company's proposed tariff.
2. During the pendency of the case, and in Attachment J to Appendix A, Staff identified to the Commission that M.P.B., Inc.'s payments for the 2012, 2013, and 2014 annual assessments were delinquent. Staff's cover pleading later incorrectly identified the amounts as not delinquent.
3. The Order states "The Commission finds the Updated Agreement and the Supplemental Updated Agreement and its corresponding revised tariff sheets reasonable and shall approve them."
4. The Commission then orders in paragraph 1 that "[t]he Updated Agreement filed on September 5, 2014, and the Supplemental Updated Agreement filed

on September 25, 2014, regarding P.C.B., Inc.'s request for an increase in sewer revenue are approved.

5. The Order is silent as to the delinquent assessment payments.

6. Because the Order is silent, and because there is no filing or motion from P.C.B., Inc. in the record requesting a waiver of the assessments, Staff contends the Order mistakenly omits that approval of the Updated Agreement and the Supplemental Updated Agreement does not act to waive any unpaid assessment amounts.

7. Therefore, Staff moves the Commission to issue an Order *Nunc Pro Tunc*, and that the preceding language in paragraph 1 be stricken and replaced with: "The Commission finds the Updated Agreement and Supplemental Updated Agreement and its corresponding revised tariff sheets reasonable. The Commission's approval of the Agreements and corresponding revised tariff does not waive any assessment amounts due and owing of P.C.B., Inc. to the Commission."

8. An affidavit in support of this Motion showing the referenced assessments remain delinquent is attached hereto.

WHEREFORE, Staff submits this *Motion for Order Nunc Pro Tunc* and respectfully requests that the above mentioned clerical errors be corrected.

Respectfully submitted,

/s/ Marcella L Forck
