 - b. Transmission Easement. The Easement includes rights to develop, permit, construct, reconstruct, repair, improve, alter, replace, operate, use, inspect, maintain and remove a transmission line, which

transmission line may include poles, towers and structures, such wires and cables as Grain Belt shall from time to time suspend therefrom, foundations, footings, attachments, anchors, ground connections, communications devices, and other equipment, accessories, access roads and appurtenances, as Grain Belt may deem necessary or desirable in connection therewith (the “**Facilities**”) and to study or inspect in preparation therefor, including survey, soil sampling, geotechnical evaluation, environmental tests, archeological assessments, and transmission and interconnection studies. The Easement may be used for the transmission of electrical energy and for communication purposes, whether existing now or in the future in order to facilitate the delivery of electrical energy.

- c. Telecommunications Easement. The Easement may also be used for installation, operation, and maintenance of fiber optic cable and other equipment needed for the transmission of communications to or by third parties.
- d. Site Plan. Prior to construction, Grain Belt shall provide Landowner with a site plan indicating the approximate proposed location of the Facilities, including structures and access roads. No later than twenty (20) days after receipt of the site plan from Grain Belt, Landowner shall provide Grain Belt with Landowner’s comments or proposed revisions to the site plan, if any. Grain Belt shall consider in good faith revising the approximate proposed location of the Facilities based upon any such comments or proposed revisions, in Grain Belt’s discretion. Landowner and Grain Belt agree that after the final engineering design and construction of the Facilities have been completed, Grain Belt will commission a surveyor to create a precise legal description for the Easement Area.
- e. Access Easement. The Easement includes the non-exclusive right of ingress and egress over the Easement itself, over the Property of the Landowner in order to obtain access to the Easement, and over the Property of Landowner adjacent to the Easement and lying between public or private roads and the Easement in such a manner that shall cause the least practicable damage and inconvenience to the Landowner, taking into account proximity to public means of access, terrain, and other geographical and engineering considerations, and Grain Belt’s ability to exercise its rights under this Agreement.

- g. As-Built. Landowner authorizes Grain Belt to unilaterally record a legal description and/or drawings of the “as built” Facilities to reflect the precise location of the Easement Area. However, upon the request of Grain Belt, Landowner agrees to cooperate with Grain Belt and to join Grain Belt in the execution of an amendment to this Agreement or any other documents in recordable form for the purpose of documenting and recording the precise location of the Easement Area.
- h. Grain Belt Conduct. Any Facilities constructed by Grain Belt will be constructed in a good and workmanlike manner and such Facilities shall be so maintained until the termination of this Easement or removal of such Facilities by Grain Belt.
- i. Gates. Following the construction of the Facilities, should Landowner maintain livestock on the Property, Grain Belt shall be responsible for any and all liability or damages incurred by

Landowner and directly caused by the Grain Belt, Grain Belt's agents, assigns, successor's failure to properly close any gates on the Property, which gates were opened by Grain Belt, Grain Belt's agents, assigns or successors.

3. Crop Compensation. Grain Belt will repair or pay, at Grain Belt's option, Landowner or its tenants for any damage to Landowner's or Landowner's tenants' improvements, livestock and/or crops as a result of Grain Belt exercising its rights under this Agreement, whether such damage occurs before, during, or after construction. Crop compensation will be paid in accordance with the methodology set in the Crop Compensation Calculation, attached hereto as Exhibit D. Landowner and Grain Belt agree that the Crop Compensation Calculation or any alternative Crop Compensation Term Sheet executed concurrently with this Agreement is in satisfaction of all loss in crop yields attributed to construction of the Facilities and all routine operation and maintenance throughout the Term of this Agreement and Landowner waives all additional claims for loss in crop yields associated with such construction and routine operation and maintenance. In the event of non-routine maintenance or reconstruction, Landowner and Grain Belt agree to negotiate in good faith regarding compensation paid by Grain Belt to Landowner for all loss in crop yields attributed to such non-routine maintenance or reconstruction, with the intent that the Landowner be made whole for any damages or losses that occur as a result of non-routine maintenance or reconstruction.
4. Clearance Easement. Notwithstanding Section 3 above, Grain Belt shall, without being liable for damages, have the right from time to time, including after the initial construction of the Facilities, to:
 - (a) clear the Easement Area of any improvements or other structures installed by Landowner after the execution hereof to the extent that they interfere with Grain Belt's ability to exercise its rights under this Agreement, except fences (provided Grain Belt shall at all times have access through any such fence by means of a gate (at Grain Belt's cost));
 - (b) control, cut down, trim and remove trees and underbrush from the Easement Area; and
 - (c) cut down and trim any tree located encroaching upon the Easement Area or Facilities that in the reasonable opinion of Grain Belt may interfere with the safety, proper operation and/or maintenance of the Facilities. Landowner may retain the right to trees of commercial value. When clearing easement, Grain Belt shall:
 - (a) coordinate with the Landowner regarding disposition of trees of commercial value at least 30 days before the commencement of clearing;
 - (b) if requested by Landowner, cut logs 12" in diameter or more into 10 to 20 foot lengths and stack them just outside the right-of-way for handling by the Landowner;
 - (c) cut stumps as close to the ground as practical, but in any event will be left no more than 4 inches above grade;
 - (d) treat stumps to prevent regrowth consistent with industry best practices and subject to vegetation types, site specific land uses, and any environmental sensitivities;
 - (e) notify Landowner of the Transmission Vegetation Management Policy and of the specific vegetation treatments for Landowner's property;
 - (f) reseed disturbed areas consistent with reclamation best practices in consultation with Landowner, restoration specialists, and government agencies;
 - (g) follow best practices to minimize erosion, with particular practice employed at a given location depending upon terrain, soil, and other relevant factors.
5. Non-Interference. Landowner shall have the right to use the Easement Area for normal farming and grazing, hunting, recreation, and any other purposes provided that (a) hunting shall not be done in a manner that could reasonably endanger personnel constructing the Facilities, (b) Grain Belt shall at all times have access through any fences to the Easement Area by means of a gate, and (c) such uses do not interfere with electrical safety or Grain Belt's rights and permitted use of the Easement for the purposes described herein. Landowner shall not engage in any activity or grant any rights to third parties in the Easement Area that would interfere with Grain Belt's use of the Easement, including, without limitation, the drilling or operation of any well, construction of any building or other structure, changing of the existing grade, or installation of any utility or other line, main, conduit, fixture or other appurtenance within, under, upon or over the Easement Area, without in each case the prior written consent of Grain Belt, which consent shall not be unreasonably withheld. Landowner acknowledges

and agrees that during the initial construction of the Facilities or any major work on the Facilities during which periods Grain Belt shall work expeditiously to complete such construction or work with reasonable diligence, Landowner may not have access to or use of the Easement Area for any purpose so as to avoid interfering with such construction or other repair work and in order to allow Grain Belt to maintain the safety of persons and property during such construction or other repair work.

6. Title to Facilities and Property. Grain Belt shall have no ownership interest in fee title to the Property. Grain Belt will retain title to the Facilities and shall have the right to remove them from the Property at any time. Landowner shall have no ownership interest in or to any Facilities. Nothing in this Agreement, however, shall be construed as requiring Grain Belt to install or operate the Facilities. Grain Belt shall have the right to quietly and peaceably hold, possess and enjoy the Easement for the duration of this Agreement, without hindrance or molestation, and Landowner shall defend Grain Belt's right of use and occupancy to the same against the claims of all persons. When executed by Landowner, this Agreement constitutes a valid and binding agreement enforceable against Landowner in accordance with its terms.
7. Representations. Landowner represents, warrants and covenants that they are the true and lawful owners of the Property, have good and marketable title to the Property, have the unrestricted right, power and authority to grant and convey the Easement as herein provided, and that there are no recorded or unrecorded liens, encumbrances, leases (including oil, gas and/or other mineral interests), easements, licenses, rights of way, mortgages, deeds of trust, conservation easements or other exceptions that could interfere with Grain Belt's operations on the Property, except as noted below:

Landowner shall fully cooperate and assist Grain Belt, in removing or limiting such interference, including obtaining a subordination and non-disturbance agreement.

8. Cooperation. Landowner shall cooperate with Grain Belt (including signing in Landowner's name, if necessary), at no expense to Landowner, in applying for, complying with or obtaining any approvals and consents, environmental reviews, or any other permits, licenses, approvals or consents requested by Grain Belt for the financing, construction, installation, replacement, relocation, maintenance, repair, operation or removal of the Facilities and any other improvements made by Grain Belt and permitted in this Agreement. Landowner shall take no actions that would cause Grain Belt to fail to comply with permits, approvals, or consents of any governmental authority having jurisdiction over the Property once issued. To the extent permitted by law, Landowner hereby irrevocably waives enforcement of any applicable setback requirements respecting the location of Facilities.
9. Taxes. Landowner shall pay all taxes, assessments, or other governmental charges, general and specific, that shall or may during the Term be imposed on, or arise in connection with the Property itself; provided, however, during the Term Grain Belt shall be liable for any incremental increase in such taxes, assessments, or other governmental charges for the Property directly or indirectly resulting from the presence of the Facilities on the Property. Grain Belt shall pay all taxes, assessments, or other governmental charges that are due and payable with respect to the Facilities on the Property.
10. Insurance. Grain Belt shall procure and maintain at its sole cost and expense throughout the Term of this Agreement, a policy or policies of liability insurance in amounts not less than a combined single limit of One Million Dollars (\$1,000,000.00) per occurrence and Five Million Dollars (\$5,000,000.00) in the aggregate, insuring against any and all liability to the extent obtainable for injury or death of a person or persons or damage to property occasioned by or arising out of or in connection with the use,

construction, and occupancy of the Property, such liability limit may be maintained with a combination of primary and excess coverage in a manner permitted under Missouri law.

11. **Termination.** Grain Belt may terminate this Agreement at any time by providing written notice to Landowner and removing Facilities from the Property as soon as practicable whereupon all further rights and obligations under this Agreement shall terminate. In the event the Facilities are permanently retired from service, Grain Belt shall promptly issue termination notice to Landowner. Upon such termination of this Agreement, Grain Belt shall, as soon as practicable thereafter, (i) file a release of the Easement in the real property records of the county in which the Property is located, (ii) remove above-ground and below-ground (to a depth of three (3) feet below grade) Facilities from the Property and (iii) secure, maintain and dispose of debris with respect to the Facilities. All of the Property disturbed by Grain Belt shall be restored to a condition reasonably similar to its original condition. Reclamation shall include, as reasonably required, leveling, terracing, mulching and other reasonably necessary steps to prevent soil erosion.
12. **Default.** If either Party defaults in performance of an obligation under this Agreement the non-defaulting Party shall not have the right to exercise any remedies hereunder if the default is cured within sixty (60) days of receiving written notice of such default from the non-defaulting Party specifying in detail the default and the requested remedy (the “**Notice of Default**”); provided, that if the nature of the default requires, in the exercise of commercially reasonable diligence, more than sixty (60) days to cure then the non-defaulting Party shall not have the right to exercise any remedies hereunder so long as the defaulting Party commences performance of the cure within sixty (60) days of receipt of Notice of Default and thereafter completes such cure with commercially reasonable diligence. Subject to the limitations set forth in this Section 12, should a default remain uncured beyond the applicable cure periods the non-defaulting Party shall be entitled to exercise any remedy available at law or equity. Notwithstanding the foregoing, anything to the contrary contained in this Agreement, or any rights at law or in equity, in the event there are Facilities located on the Property, in no event shall any default of this Agreement beyond applicable cure periods terminate, or entitle any Party to terminate, this Agreement or any Easement or right granted hereunder unless expressly pursuant to the provisions of Exhibit C hereof and, if after the commencement of construction, only after exhausting all other remedies at law and equity.
13. **Notices.** All notices under this Agreement shall be in writing and shall be considered given either (i) when delivered in person, (ii) upon deposit in the United States mail in a sealed envelope or container, postage and postal charges prepaid, return receipt requested or certified mail, or (iii) upon deposit with an overnight courier service addressed by name and address to either party to this Agreement, addressed to the mailing address set forth above. Either party may, by written notice given at any time, require subsequent notices to be given to another individual person, whether a party or an officer or representative, or to a different address, or both. Landowner may designate alternate contact information for informal communications pursuant to the form attached as Exhibit E.
14. **Right to Mortgage.** The rights of Grain Belt under this Agreement may be sold, assigned, mortgaged or leased, in whole or in part, by Grain Belt at any time. In the event of any such sale, assignment or lease by Grain Belt of its interests in this Agreement (in whole or in part), Grain Belt shall be released from its obligations under this Agreement to the extent of such sale, assignment or lease provided that any such purchaser, assignee, or lessee assumes all of Grain Belt’s obligations under this Agreement.
15. **Benefits and Burdens.** The Easement and any restrictions of this Agreement are covenants running with the Property and land affected and shall be binding on and inure to the benefit of Landowner and Grain Belt, together with their mortgagees, assignees, and respective successors and assigns, heirs, personal representatives, tenants or persons claiming by, through or under them. In furtherance of the foregoing,

Landowner acknowledges and agrees that any and all sums due under this Agreement, including, without limitation, under the Easement Calculation Sheet and the Structure and Damages Calculation Sheet shall be paid only to the then owner of record of the Property at the time the applicable payment is due.

16. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Missouri. Landowner and Grain Belt agree to first attempt to settle any dispute arising out of or in connection with this Agreement by good faith negotiation. If Landowner and Grain Belt are unable to resolve amicably any dispute arising out of or in connection with this Agreement, subject to the limitations as otherwise set forth herein each shall have all remedies available at law or in equity in state and federal courts in the State of Missouri.
17. Indemnification; Waiver of Claims
- a. Grain Belt shall indemnify and hold harmless Landowner and any tenants of Landowner from any and all liability, claims, suits, demands, actions, loss, damage and expense, including court costs and reasonable attorney's fees, for injury to persons or damage to property caused by Grain Belt, or Grain Belt's agents and representatives, in the exercise of Grain Belt's rights under this Agreement (collectively "**Claims**"), except to the extent resulting from Landowner's or such tenant's, as applicable, breach of the terms of this Agreement or from Landowner's or such tenant's, as applicable, gross negligence or intentional misconduct.
 - b. Grain Belt's indemnification obligation hereunder includes all Claims brought by Grain Belt's employees, agents, contractors, subcontractors or other representatives related to any work performed on the Property in connection with the exercise of Grain Belt's rights in this Agreement.
 - c. Grain Belt agrees that it shall not pursue, and hereby waives, any Claims against Landowner, except to the extent caused by Landowner's breach of this Agreement, gross negligence or intentional misconduct; provided however, this Section 17(c) shall not limit any of Grain Belt's remedies for breach of the terms of this Agreement.
18. Subordination. Landowner hereby consents to Grain Belt contacting any lender, mortgagee or other pre-existing holder of a lien or interest in the Property in order to secure a subordination and or non-disturbance agreement in recordable form for the benefit of the parties. Upon the request of Grain Belt, Landowner agrees to fully cooperate with Grain Belt in order to secure a subordination and or non-disturbance agreement from each lender, mortgagee or other pre-existing holder of a lien or interest in the Property. Landowner shall not be required to incur any third party out of pocket expenses in connection with assisting Grain Belt in the pursuit of the foregoing subordination and or non-disturbance agreements; all such third party out of pocket expenses relating to the same shall be paid by Grain Belt. At no additional cost to Landowner, Landowner further agrees to cooperate with Grain Belt's efforts to obtain financing, including providing any documents reasonably requested by Grain Belt, its lenders or as otherwise reasonably required to effectuate the purposes of this Agreement.
19. Estoppel Certificates. Landowner shall promptly execute such estoppel certificates (certifying as to such matters as Grain Belt may reasonably request, including, without limitation, that no default or failure to perform then exists under this Agreement, if such be the case) and/or consents to assignment (whether or not such consent is actually required) and/or non-disturbance agreements as Grain Belt, any transferee or Mortgagee may reasonably request from time to time. At Grain Belt's option, such certificates, consents and agreements may be recorded in the relevant recording office. Landowner hereby consents to such recording.

20. Joint Ownership. If one or more persons, partnerships, corporations, trusts or other entities execute this Agreement as Landowner or have an ownership interest in the Property from time to time, the obligations of Landowner under this Agreement shall be the joint and several obligations of each such person, partnership, corporation, trust or other entity. All such persons, partnerships, corporations, trusts or other entities agree that they shall be solely responsible for allocating any payments made under this Agreement between themselves and that Grain Belt shall have no obligation to make any allocation.
21. Severability. Should any provision of this Agreement be held, in a final and unappealable decision by a court of competent jurisdiction, to be either invalid, void or unenforceable, the remaining provisions hereof shall remain in full force and effect, unimpaired by the holding.
22. Protocols. The Missouri Landowner Protocol, Missouri Agricultural Impact Mitigation Protocol, and the Code of Conduct promulgated by Grain Belt, and of record with the Missouri Public Service Commission (as may be amended, supplemented or replaced from time to time, collectively, the “**Protocols**”), are hereby incorporated by reference and shall be controlling on the activities of the Landowner and Grain Belt. The current version of the Protocols as of the Effective Date are available at <https://grainbeltextpress.com/>. In the event of a conflict between this Agreement and the conditions of the Protocols, the provision more favorable to Landowner shall control to the extent of such conflict.
23. Applicable Laws. Landowner and Grain Belt acknowledge their desire for the provisions of this Agreement to comply with all applicable Missouri and federal laws. As such, it being understood and agreed that if this Agreement does not comply in all respects with Missouri law or federal law, then this Agreement shall nonetheless remain in full force and effect, and shall be amended, in the manner that is fairest to each party, to cause such compliance to occur; and Landowner and Grain Belt agree to execute any amendments to this Agreement or a new easement (in such form reasonably requested by Grain Belt) as may be necessary for that purpose. To the extent there is any question regarding the validity or enforceability of this Agreement due to the effect of any applicable Missouri law or federal law, relating to transmission leases or easements now or hereafter enacted, the parties hereby agree to amend the Agreement as set forth above and each party hereby waives its rights under any such existing or hereinafter enacted laws.
24. Hazardous Materials. Neither Grain Belt nor Grain Belt’s agents or representatives shall violate any federal, state, or local law, ordinance, or regulation relating to the generation, manufacture, production, use, storage, release, discharge, disposal, transportation or presence of asbestos-containing materials, petroleum and petroleum products, explosives or any other substance, material, or waste which is now or hereafter classified as hazardous or toxic, or which is regulated under current or future federal, state, or local laws or regulations, on or under the Property (each, a “**Hazardous Material**”). Grain Belt shall promptly notify Landowner if any such violation occurs.
25. Counterparts. This Agreement, and any amendment hereto, may be executed in multiple counterparts and, when executed by all parties, shall constitute one agreement effective and binding on all parties.
26. Waiver of Jury Trial. EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON THIS AGREEMENT, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO. EACH OF THE PARTIES TO THIS AGREEMENT WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY

OTHER ACTION IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. THIS PROVISION IS A MATERIAL INDUCEMENT TO EACH OF THE PARTIES FOR ENTERING INTO THIS AGREEMENT.

27. Recordation. This Agreement may be recorded in the official records of the county in which the Property is situated; provided, however, the financial terms of this Agreement (as indicated in Exhibits C, D and E) shall be redacted from such recorded copy.
28. USDA Programs. If any portion of the Property is removed from a U.S. Department of Agriculture program (such as Conservation Reserve Program, Conservation Stewardship Program, Environmental Quality Incentives Program, or similar) (“**USDA Program**”) or if Landowner’s payments due under such USDA Program are reduced due to Grain Belt’s installation of Facilities on the Property, Grain Belt shall reimburse Landowner for any verified rent payments, cost share payments, interest, and/or any other costs or fees that may be incurred by Landowner. Upon Grain Belt’s request, Landowner shall provide Grain Belt with a copy of its USDA Program agreement or such other documentation that will verify the costs and fees for which Grain Belt shall be responsible for reimbursing Landowner. In the event Landowner enters into a new USDA Program contractor after the effective date of this Agreement, Landowner shall notify Grain Belt and provide a copy of the USDA Program agreement. Grain Belt acknowledges that such USDA Program contracts may be held in the name of Landowner or such other entity that Landowner may designate from time to time.
