Increase Request of Mill Creek Sewers, Inc.            )     **Case No. SR-2005-0116**

**ORDER GRANTING MOTION**

Issue Date: December 27, 2006

Effective Date: December 27, 2006

The Staff of the Commission has filed monthly status reports in this matter since December 9, 2005. On December 13, 2006, with a status report due on December 15, Staff filed a motion requesting that it not be required to file its December status report. Rather, Staff would resume filing status reports in January, 2007. Staff states that the press of other business has precluded the filing of this month's status report.

The Commission has reviewed Staff's motion and finding it reasonable will grant the requested relief.

**IT IS ORDERED THAT:**

1. The Staff of the Commission's motion regarding the filing of a status report in December 2006, is granted.
2. This order shall become effective on December 27, 2006.
