ORDER ACKNOWLEDGING FILINGS AND MODIFYING DATE UPON WHICH STAFF RECOMMENDATION IS DUE

Issue Date: April 2, 2007

Effective Date: April 2, 2007

On March 28, 2007, WPC Sewer Company ("WPC") filed revised tariff sheets, effective April 27, to implement a small sewer company rate increase pursuant to 4 CSR 240-3.330. In addition to the tariffs, assigned Tariff Tracking No. YS-2007-0686, WPC sent a cover letter stating that WPC, the Staff of the Missouri Public Service Commission and the Office of Public Counsel had executed a Unanimous Agreement Regarding Disposition of Small Company Rate Increase Request ("Disposition Agreement"). The letter further

stated that Staff will file the Disposition Agreement.

By order dated March 29, the Commission directed Staff to file the Disposition

Agreement, along with a recommendation regarding the agreement and associated tariff,

by no later than April 9. The Commission also ordered WPC to file, by April 9, its written

consent to the extension of the 150-day filing requirement established by Commission Rule

4 CSR 240-3.330(1)(F).

¹ Unless otherwise noted, all dates throughout this order refer to the year 2007.

On March 30, Staff filed a copy of the Disposition Agreement, along with attachments consisting of various other documents related to the agreement. Staff further pointed out that on March 14, Staff and WPC had already consented in writing to an extension of the 150-day tariff filing period that normally applies to small sewer company rate increase requests, and that this document had been filed in Tracking File No. QS-2007-0005. Finally, Staff indicated that it would be able to file its recommendation in this matter by close of business on April 13.
