RE: Sewer Utility Small Company Rate Increase Request
Tariff Filing to Establish Formal Rate Case Docket
MO PSC Case No. SR 2009-0152

Dear Secretary:

Enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between the Osage Water Company (Company), the Commission Staff (Staff) and the Office of the Public Counsel (OPC) regarding the above-referenced small company rate increase request. The Company was authorized by the Commission on October 23, 2008, to file tariffs in compliance with the Unanimous Disposition Agreement filed in this case.

Since the above-referenced Disposition Agreement is between the Company, the Staff and the OPC, the enclosed tariff sheets bear an effective date that is at least 30 days from the issue date, as is provided for by the small company rate increase procedure.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$13,500 in the Company's annual sewer system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

Gary V. Cover
Receiver
