VIA E-MAIL

Dear. Mr. Bales:

I am in receipt of your June 17, 2008 letter regarding the Dispute and Complaint for Access Traffic Terminating over Local Trunks – Missouri. The information conveyed in that in that letter is a matter that Socket takes quite seriously and will fully investigate. To aid in that investigation, Socket requests that CenturyTel provide the call detail records that identify Socket's long distance affiliate's CIC code of 0538. Socket also requests that CenturyTel provide information used to determine which trunks are carrying these calls. Please forward that information to my e-mail address at rmkohly@sockettelecom.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt/Kohly".
