Secretary
Missouri Public Service Commission

Dear Secretary,

Enclosed herewith for filing with the Missouri Public Service Commission are revised tariff sheets, P.S.C. MO. No. 7, Third Revised Sheet No. 11.16 of the eastern Missouri operating division and P.S.C. MO. No. 8, Third Revised Sheet No. 11.13 of the western Missouri operating division of Spire Missouri Inc. d/b/a Spire (the "Company"). These revised tariff sheets, which have an issue date of October 30, 2020, and an effective date of November 16, 2020, reflect the Purchased Gas Adjustment ("PGA") of the Company as provided by the Company's tariffs. Such revised PGA rates, which will be made effective on a pro-rata basis, include changes to both the Current Cost of Gas ("CCG") and the Actual Cost Adjustment ("ACA") factors for natural gas customers.

Spire East's charges for gas will be reduced from \$.41274 to \$.37193 per therm; and Spire West's charges for gas will remain \$.40415 per ccf.

Compared to currently existing rates, and assuming normal usage, the PGA rate will decrease or maintain the average monthly bill of the typical residential customer – for Spire East the reduction will be about \$2.74 per month or a reduction of 4.06% and for Spire West the change results in no bill impact. Such bill impacts may be less or more depending on a customer's actual usage, which is primarily affected by weather.

Thank you for bringing this matter to the attention of the appropriate Commission personnel.

Sincerely,

/s/ Scott A. Weitzel
