**STAFF'S STATUS REPORT INDICATING ANTICIPATED
DATE OF FILING STAFF RECOMMENDATION**

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its *Status Report*, states as follows:

1. On May 22, 2019, 188 North Summit, LLC, filed an *Application* in which it requests decertification such that the company is not subject to the Missouri Public Service Commission's (Commission) jurisdiction, cancellation of its certificates of convenience and necessity, a contingent motion waiver of the notice requirement contained in Rule 4 CSR 240-4.020(2)(B),¹ and cancellation of its tariffs, if necessary.

2. On May 29, 2019, the Commission issued an *Order Directing Notice, Establishing Time to Intervene, and Directing Staff Recommendation*; in its Order, the Commission directed Staff to file, no later than June 28, a recommendation or a status report indicating when it will be able to file a recommendation.

3. At this time Staff anticipates filing its recommendation in this matter no later than August 7, 2019.

¹ 4 CSR 240-4.020(2)(B) refers to ex parte communications. To the extent this is the rule which the Company intended to reference, there is no corresponding provision within that rule allowing for such waiver. However, where textual context relays a desire for a waiver of the sixty-day notice requirement, 4 CSR 240-4.017(1) allows for such a waiver for good cause. Staff reserves its comments regarding such a motion until such time as Company describes the good cause associated with the waiver request.

WHEREFORE, Staff respectfully submits this *Status Report* for the Commission's information and consideration and hereby requests the Commission approve Staff's anticipated August 7, 2019, date for filing its recommendation in this matter.

Respectfully submitted,

/s/ Alexandra L. Klaus
