

EDUCATION, WORK EXPERIENCE, AND JOB DUTIES

Q. PLEASE BRIEFLY DESCRIBE YOUR EDUCATION.

A. I received my B.A. in 1976 and M.A. degree in Economics from Eastern Illinois University in 1977.

Q. WHO IS YOUR CURRENT EMPLOYER AND IN WHAT POSITION ARE YOU EMPLOYED?

A. I am employed by SBC as Associate Director – Regulatory Support.

Q. PLEASE BRIEFLY SUMMARIZE YOUR WORK EXPERIENCE.

A. I was employed by Centel Corporation from 1979 through 1985. While there I had various regulatory responsibilities, including revenue requirements, separations, and capital recovery. In January 1986, I moved to NYNEX Service Company, where I was responsible for federal access issues. While there I represented NYNEX on an industry team charged with revising Federal Communications Commission rules and regulations related to separations and access. In March 1987, I joined Ameritech, now known as SBC Midwest. Since joining SBC Midwest, my responsibilities have included coordination and filing of federal access filings; service cost development; acting as a primary interface between Ameritech and other local exchange carriers in the Ameritech region; and supporting access reform as it applies to the five intrastate jurisdictions in SBC Midwest's region. In January 2000, I was named Product Manager for Feature Group D Access services for the 13-state SBC region. I moved into my current role in April 2000.

Q. WHAT ARE YOUR DUTIES IN YOUR CURRENT POSITION?

A. I am responsible for supporting the policies of SBC's Local Wholesale Marketing organization. As a means of providing that support, I review the results of SBC's cost studies, consult with witnesses and subject matter experts, and offer testimony and affidavits before various regulatory bodies that oversee SBC's regulated business.
