Case No. _____

APPLICATION FOR CHANGE OF ELECTRIC SERVICE PROVIDER

1. Applicant's address is: 416 W Saddle Club Rd. Fair Grove, MO 65648

2. The name of Applicant's current electric service provider is: _____

Southwest Electric Cooperative (SWEC)

3. Applicant requests the Missouri Public Service Commission to order a change of electric supplier to the address indicated above.

4. Applicant requested the Commission to order a change of electric supplier from Southwest Electric Cooperative (SWEC)

(Current)

to Liberty Utilities

(Requested)

5. Applicant requests the Missouri Public Service Commission to order a change of electric provider for the following reasons. * Would like to change electric meter on house from a smart meter to an analog meter for health reasons.

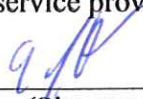

6. Applicant has taken the following steps in an attempt to work out electric service problems with the electric service provider: _____

Asked SWEC to switch to analog and they informed me that they no longer support analog meters. For this reason we would like to switch our service to Liberty. Liberty services the neighborhoods around us, but not our specific address, so we would like an exception granted to use Liberty instead of SWEC. Liberty has already confirmed that they will be able to install and support an analog meter.

WHEREFORE, Applicant requests the Missouri Public Service Commission to issue an Order which changes the current electric service provider.
