# OF THE STATE OF MISSOURI

In the Matter of the Annual Report of Osage Water	)	
Company for the Calendar Year Ending December 31,	) Case No. WE-2002-24	10
1999.	)	

## REVISED ORDER GRANTING EXTENSION OF TIME

On November 28, 2001, Osage Water Company filed a Motion for Leave to File Delinquent Annual Report. On January 3, 2002, the Staff of the Missouri Public Service Commission filed a Request for Enlargement of Time in Which to File Response. Staff indicates that the General Counsel's office of the Missouri Public Service Commission did not receive a copy of this filing or become aware of it until about 12/20/02 (sic). Staff requests that the Commission enlarge the time in which Staff has to file its response until January 15, 2002, so that it may have adequate time. Staff states that counsel for Osage Water Company has no objection to the request for enlargement of time, and that the request is not being made for the purpose of harassment or delay.

The Commission has reviewed the request for additional time and finds that it should be granted. The request is reasonable and will not prejudice any party to this proceeding.

#### IT IS THEREFORE ORDERED:

1. That the Request for Enlargement of Time in Which to File Response, filed by the Staff of the Commission on January 3, 2002, is granted. The deadline for Staff to file its recommendation is now January 15, 2002.

2. That this order shall become effective on January 15, 2002.
