

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Resource Plan of Kansas City Power &)
Light Company Pursuant to 4 CSR 240-22)
)

Case No. EO-2007-0008

MISSOURI DEPARTMENT OF NATURAL RESOURCES' MOTION FOR EXTENSION OF TIME

The Missouri Department of Natural Resources (MDNR) and the Office of Public Counsel respectfully request that the Commission grant this Motion for Extension of Time for the following reasons:

1. On or about July 5, 2006, Kansas City Power & Light Company (Company) filed its Utility Resource Plan or Integrated Resource Plan as required by 4 CSR 240-2.
2. On or about July 18, 2006, the Commission issued an Order directing notice, setting a date for submission of intervention requests and scheduling a pre-hearing conference. The July 18, 2006, Order establishes August 7, 2006, as the date by which all applications to intervene in the above-styled case are to be filed.
3. The MDNR filed an application to intervene, which this Commission granted.
4. Pursuant to the Commission's rules governing Integrated Resource Plans, the parties have been reviewing and discussing the Company's July 5, 2006, IRP filing. According to Commission rules, the non-Company's comments on the July 5, 2006, IRP are due November 2, 2006.
5. During discussions among the parties, the Company agreed to provide supplemental information. Although the Company provided that information to other parties on September 14, 2006, it did not provide the information to the Department until October 2, 2006.

6. The parties had hoped that, with the addition of the supplemental information, it would not be necessary to submit formal comments outlining what the Department and other parties believe to be deficiencies in KCPL's IRP. Unfortunately, the parties were not able to accomplish that goal, and the Department and Office of Public Counsel will be filing comments.

7. Due to the on-going discussions among the parties and not receiving the supplemental information in a timely manner, the Department and OPC are going to have difficulty meeting the November 2, 2006, due date.

8. The Department and OPC have discussed this Motion for Extension with the other parties to the case and have been advised that the other parties do not object to the request.

WHEREFORE, the Missouri Department of Natural Resources and the Office of Public Counsel respectfully request an extension of time until November 15, 2006 to file its comments on the IRP. The extension request will not unduly prejudice any party and is only for a short time.

Respectfully submitted,

JEREMIAH W. (JAY) NIXON
