SUPPLEMENTAL NOTICE OF APPLICATION AND ORDER SETTING DEADLINE FOR INTERVENTION

Issue Date: September 4, 2009 Effective Date: September 4, 2009

The Missouri Public Service Commission is giving supplemental notice of Timber Creek Sewer Company's ("the company") application ("application"). The application seeks the Commission's permission and approval to construct sewer facilities and provide sewer service in a proposed service area legally described in the application's appendix 2. The application's appendix 4 identified persons listed in appendix 4 as residing or owning land in the proposed service area.

The Company filed the application on August 24, 2009. Also on August 24, 2009, the Commission gave notice to the persons identified in appendix 4. On September 3, 2009, the company filed an amended appendix 4 setting forth new addresses for two persons. The Commission will send notice of the application to those persons at such new addresses.

The statutory requirement of a "due hearing" allows the Commission to grant an unopposed application without conducting a hearing.²
