ORDER GRANTING INTERVENTION AND SETTING PREHEARING CONFERENCE

Issue Date: February 22, 2010

Effective Date: February 22, 2010

On November 24, 2009, the Staff of the Missouri Public Service Commission filed a complaint¹ against Canyon Treatment Facility, LLC and others. In its complaint, Staff alleges that Respondents are providing sewer service without the necessary authority from the Missouri Public Service Commission. As a result of discussions in that complaint case, Canyon Treatment filed this request for a certificate to provide service. The Commission's Staff now requests that this matter be set for an early prehearing conference.

The Commission granted intervention to VPG Partners IV, LLC in both this case and the related complaint case. Royal Vista, LLC, whose request for intervention is pending in this case, has also been granted intervention in the complaint case. No party opposes Royal Vista's pending request for intervention. The Commission will therefore grant Royal Vista's request to intervene and set this matter for prehearing conference. If any party wishes to participate by telephone, please contact the judge at 573-751-8518 no later than Friday, February 26, 2010.

¹ Commission File No. SC-2010-0161.

2. A prehearing conference shall be held on March 2, 2010, beginning at 10:00 a.m., in Room 305 of the Governor Office Building, 200 Madison Street, Jefferson City, Missouri. If you need additional accommodations to participate in this public hearing, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to the prehearing.
3. This order shall become effective upon issuance.
