Effective Date: April 29, 2022

On April 28, 2022, Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers) filed an application requesting the Commission grant it a Certificate of Convenience and Necessity (CCN) to acquire, own, install, construct, operate, control, manage and maintain a sewer system in Madison County, Missouri. The requested CCN would allow Confluence Rivers to acquire the assets of the Deer Run Estates Property Owner’s Association, an unregulated sewer system. The application also requests a variance of the 60-day notice requirement contained in Commission Rule 20 CSR 4240-4.017(1).

The Commission will direct that notice be given, set a deadline for intervention requests, and order its Staff to file a recommendation.

2. The Commission's Public Policy and Outreach Division shall make notice of this order available to the members of the General Assembly representing Madison County, Missouri, and to the media serving those areas.
