Issue Date: April 20, 2023

Effective Date: April 20, 2023

On January 4, 2023,¹ Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers) filed an application regarding the acquisition of an unpermitted sewer system. The Staff of the Commission (Staff) filed an initial recommendation on April 6. Pertinent here, Staff’s initial recommendation advised of deficiencies in the application of Confluence Rivers, anticipated an amended application, and requested 45 days to review the anticipated amended application if it should be filed.

On April 18, Confluence Rivers and the Receiver jointly requested leave to amend its application. To that end, Confluence Rivers and the Receiver jointly filed an amendment to the Joint Application. The Commission finds the request to amend the application reasonable and will grant it.

The Commission will also direct its Staff to review the amendment and provide an updated or supplemental recommendation.

¹ All dates refer to 2023.

THE COMMISSION ORDERS THAT:

1. The request of Confluence Rivers and the Receiver for leave to amend its application is granted.
2. Staff shall file an updated or supplemental recommendation regarding the amended application, or a request for an extension, on or before June 5, 2023.
3. This order shall be effective when issued.
