**SPIRE MISSOURI INC’S
MOTION FOR EXPEDITED TREATMENT**

COMES NOW Spire Missouri Inc. (“Spire Missouri” or “Company”), on behalf of itself and its two operating units, Spire Missouri East (“Spire East”) and Spire Missouri West (“Spire West”) and, pursuant to Rule 20 CSR 4240-2.080 (14) submits this Motion for Expedited Treatment to permit the Revised Tariff Sheets filed by the Company on this date to become effective on April 1, 2020. In support thereof, the Company states as follows:

1. On April 5, 2019, the Company filed its WNAR Tariff Sheets which allowed the WNAR factors to be billed for a period of 12 months. The Company was intending on filing its Revised Tariff Sheets on or before March 6, 2020, 30 days before the tariffed date of April 5, 2020. However, the current WNAR Tariff Sheets also state that the tariffs are effective until March 31, 2020, which conflicts with the April 5, 2020 tariffed date. In order to have continuous operation of the WNAR tariff, the Company is requesting expedited treatment to enable the Revised Tariff Sheets filed on this date to become effective on April 1, 2020.

2. Spire Missouri submits that harm will be avoided by expedited approval of the revised tariff sheets since it will permit the Company to continue to have WNAR Tariffs in place. At the same time, there will be no negative impact on other customers or the general public if the

Commission grants such relief. For all of these reasons, Spire Missouri submits that there is good cause for the Commission to approve the proposed tariffs to become effective on April 1, 2020.

3. To eliminate any confusion, going forward, Spire Missouri will file its Revised WNAR Tariffs for an April 1 and October 10 effective date.

4. This pleading was filed as soon as Spire Missouri realized its misunderstanding of the correct tariff filing date.

5. Spire Missouri has discussed this Motion with the Missouri Public Service Commission's Staff Counsel, and Counsel for Staff has indicated they do not oppose this Motion.

WHEREFORE, for all the foregoing reasons, Spire Missouri respectfully requests that Commission consider and grant this Motion for Expedited Treatment and approve the Revised Tariff Sheets to become effective on April 1, 2020.

Respectfully submitted,
