PGA

E. Filing Requirements & Applicability

1. The Company shall be allowed to make up to four PGA filings each year. One such filing shall be effective in November of each year. No more than one PGA filing shall become effective in any two consecutive calendar months unless specifically ordered by the Commission. The FAF for PGA filings made during years 2021, 2022, and 2023, could be up to minus \$0.30 per Therm to account for the increase in gas costs resulting from the February 2021 polar vortex, also known as Winter Storm Uri and the corresponding market movement. The 2021-2023 rate credit of up to \$0.30 per Therm will allow the Company to mitigate the price impacts on the customer.
