On July 10, 2013, the Commission issued a report and order that authorized Emerald Pointe Utility Company to file water and sewer tariff sufficient to recover revenues as determined in that report and order. Emerald Pointe filed its compliance tariff on July 24.

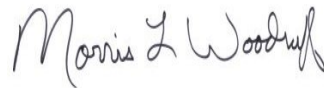

Emerald Pointe's compliance tariff carries a 30-day effective date that would put the tariff in effect on August 23. The Commission will order its Staff to file an expedited recommendation regarding Emerald Pointe's compliance tariffs, and will establish a date by which other interested parties may file a recommendation regarding those tariffs.

THE COMMISSION ORDERS THAT:
