RESPONSE TO ORDER

COMES NOW Trans National Telecommunications, Inc. and in response to the Order Directing Filing issued by the Commission on February 24, 2000 states the following:

1. Filed simultaneously with this response is the undersigned counsel's certificate of hand delivery of a copy of applicant's motion for an extension of time within which to file a procedural schedule. The certificate shows hand delivery as of February 28, 2000.
2. The Commission should note, however, that general counsel was served a copy of this motion on or about February 16, 2000 by members of the Commission's Records staff. One of the 14 copies applicant filed with the original of its motion was distributed internally by the records staff to the general counsel's office. The undersigned confirmed this with Julie Kardis, the assistant general counsel assigned to this matter, on February 25, 2000.
3. If the Commission requires in response to its order a certificate showing service as of February 16, 2000, applicant will undertake the task of acquiring a certificate from the Commission's Records staff for filing.
