Case No. WO-2007-0410

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by and through counsel, as directed by the Commission's *Order Directing Staff to File Monthly Status Reports*, and submits the following report:

This report covers the period of April 1, 2008 to April 30, 2008 and serves as the "monthly status report" for that period. Staff will continue to file these reports on or around the last working day of each month unless directed to do otherwise.

The Black Oak Mountain Property Owners Association was only able to spend a limited amount of time working on the proposed bylaws during this reporting period, due to extreme flood events in the area. The association's board members intend to work on bylaws and other utility-related paperwork items during an upcoming planned weekend meeting, so the draft proposed bylaws may be presented to the general membership of the homeowners association at a meeting to be held over the Memorial Day weekend, as previously reported. The Staff remains willing to assist the association with respect to development and finalization of utility bylaws, and the ultimate transfer of assets.

WHEREFORE, Staff submits this Status Report for the Commission's information.

Respectfully Submitted,

/s/ **Keith R. Krueger**
